Antioch High Olympic Game Champs

ANTIOCH TOWNSHIP LIBRARY
757 N. MAIN ST.
ANTIOCH, ILL. 60002

After 39 weeks of competition with 27 other area high schools, Antioch High School has now been crowned the Olympic Game Champs. The Olympic Games was a WSNS-TV program (Channel 44) seen every Saturday from 5 to 5:30 p.m. Each week the games pitted three teams, a team of parents, three students, and three teachers against the other schools teams. It was run in three parts, with the Antioch team winning all three rounds.

The Antioch teams won \$600 worth of S.R.A. testing material the first time and \$1,000 the second time. In winning the Grand Championship they added two outstanding prizes to their credit. First, a scholarship to Chapman College - a shipboard school that will travel around the world for 6½ to 7 months with the student getting college credit. Prize number two is a trip to the Bahamas for two for 2 or 3 weeks aboard a sailing Windjammer.

The persons who will receive prizes from the Antioch team have not been selected yet. The members of the winning Antioch team were: Parents - Mr. Art Blecke, Mr. Tom Pocrnich, and Mr. Dick Kessler. Teachers - Mr. Lucean McLean, Mr. Ted DeRousse and Mr. Jim Corrigan. Students - John Thain, Cindy Hayden and William Burris.

In the championship game, Antioch was pitted against Oak Park High School and Riverside-Brookfield High School. Antioch won with 620 points, Oak Park was second with 590 and third was Riverside-Brookfield with 540 points.

The TV showing of the Championship Games will be on Channel 44 WSNS-TV - May 26 with the Parents, June 2 - the Faculty and the Students on June 9 from 5 to 5:30 p.m.

TB Mobile X-Ray in Antioch this week

The TB Mobile Chest X-ray Unit will be in Antioch on Wednesday, May 16 and Thursday, May 17, from 1 to 4 p.m. and 5 to 8:30 p.m. on both days. Expectant mothers may have an X-ray taken only if they bring written consent from their family physician. No child under the age of 18 will be X-rayed.

New active cases of TB are

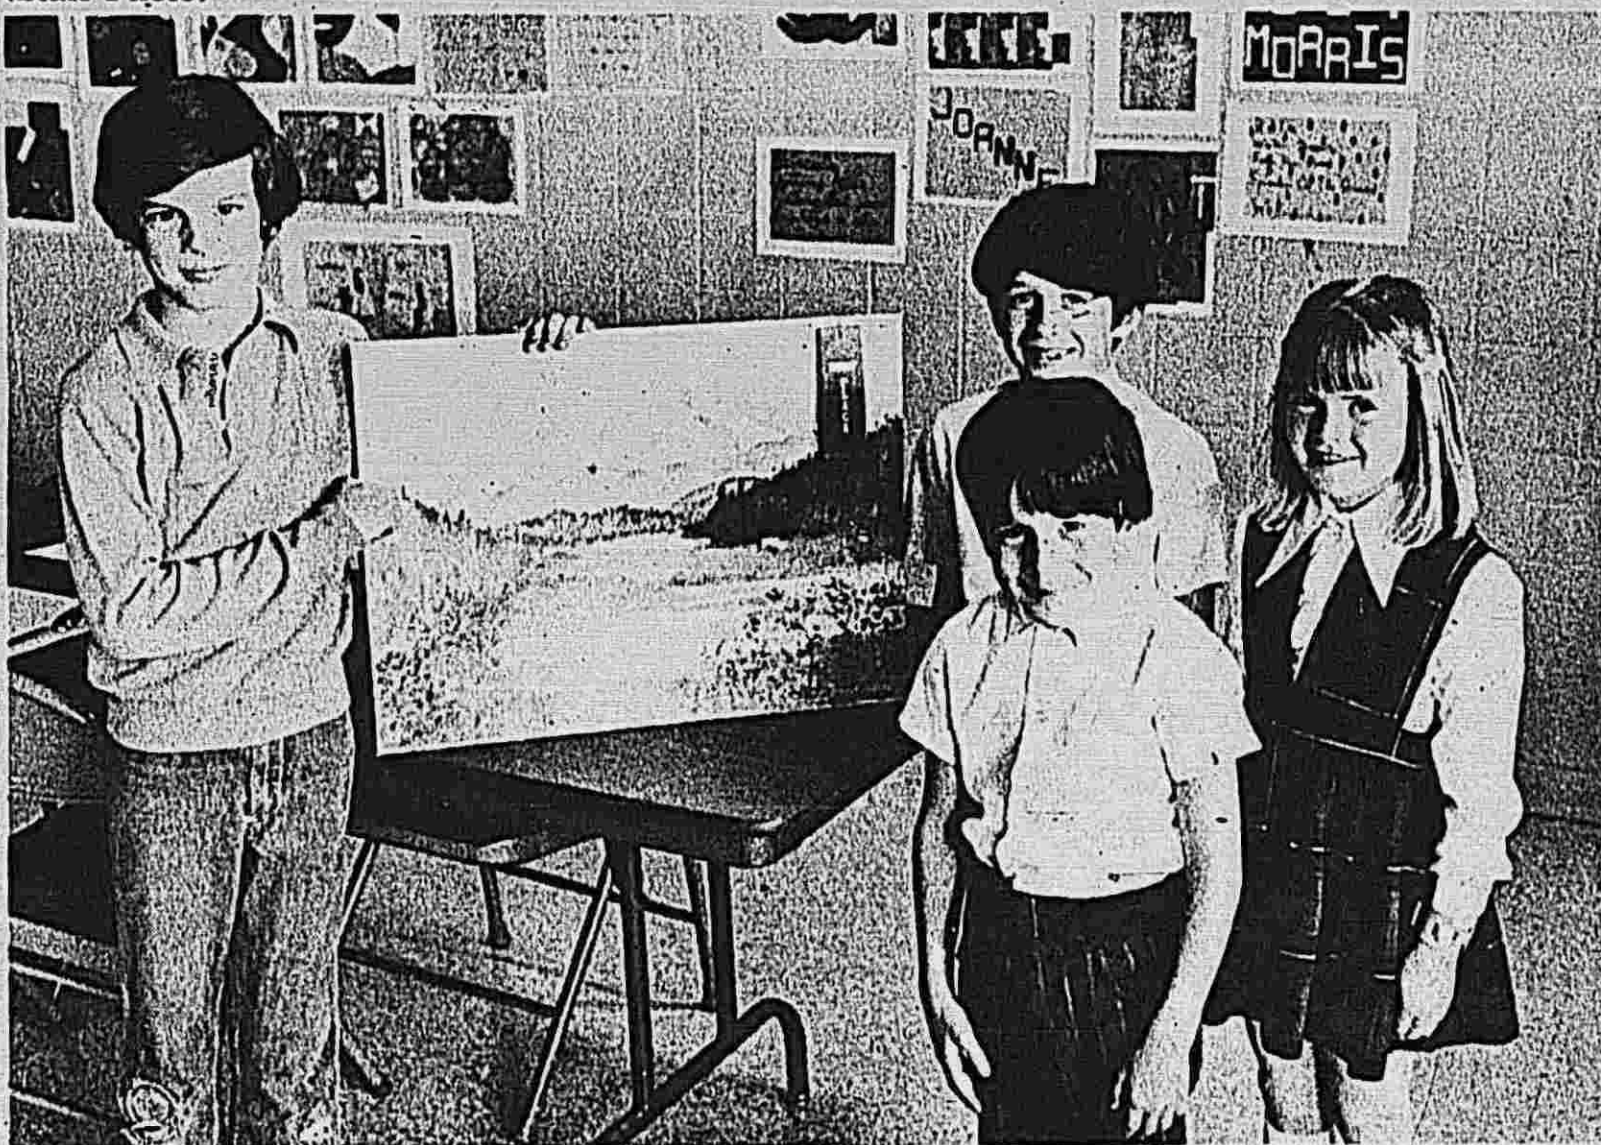

still numbering nearly 50,000 a year and over 37,000 new active cases have recently been reported in the U.S.

X-rays are also available in Waukegan at the Lake County TB and RD Office, 813 Washington Street, the last Monday of each month except for May. X-rays will be taken on May 28 instead. For any further information call 623-1805.

Village Board meeting

TUESDAY MAY 22

Royal Neighbors meeting - 7:30 p.m. sharp
AARP Meeting - New Officers Selected - 12:30 Methodist Church

FIREMEN'S CONVENTION SATURDAY

Our local firemen are busy in between fire calls with practicing for the Annual Firemen's Convention to be held in Libertyville, Illinois this Saturday, beginning at 9:30 a.m.

They will be competing in water fights, 3 man hose hookup, 5 man bucket brigade (water will be passed in canvas buckets by firemen filling a container - 2 minute time limit), 5 man truck hook-up (hooking up hoses from pond - must move target at the end). All the events will be judged on a competitive time basis. There will also be a truck and equipment inspection.

Next Sunday the Antioch water fight team will take on

Round Lake - there.

Wednesday, May 9 was a busy day for our firemen. Three fires were brought under control. At 12:50 a.m. there was a dwelling fire on Lake Avenue in Channel Lake. The 3 apt. house of Mr. John Keenan sustained \$9,000 damage, the cause is being investigated. At 3:40 p.m. a tractor belonging to Joe Grenus caught on fire. \$800.00 damage was done to the tractor. The fire caught hold when gas leaking from the tank spilled onto the engine. At 4:45 that same day there was a small shed fire on the property of John Melhorn in Morley's Subdivision.

PRIVILEGE EARNED

Aileen Biel used to have a problem here in Antioch. At PTA meetings she would stand somewhere near the back, so people couldn't see she wasn't reciting the Pledge of Allegiance. When public gatherings sang "My Country 'Tis of Thee," she found herself thinking, "God Save the Queen." After working many hours promoting several grade school referendums, she did not vote in the election.

Now Aileen's problem is alleviated. On April 17, in a ceremony at the Dirksen Federal Building in Chicago, she took the oath and received her papers as a citizen of the United States.

A native of London, England, Aileen left there 15 years ago with the idea of working her way around the world. She got as far as the United States, where she became re-acquainted with a man she had met several years previously while both were vacationing in Southern France. Two years later, Aileen married Paul Biel and—presumably—set aside her idea of working her way around the world.

For the most part, being a British citizen and an American wife and mother posed no conflict for Aileen. It might have made getting a passport slightly more time consuming,

if that had been necessary. And, of course, there was that annual formality of reporting one's address each January. But Aileen was able to become involved in community activities. She has been a member of the theatre group Palette, Masque, and Lyre for 6 years, doing some acting, though preferring the backstage work.

AILEEN BIEL

For the past 3½ years she has served as secretary of the group. She has been active in PTA and became very involved in working for passage of several grade school referendums.

That's where the problem

arose. "I wanted to get more involved," Aileen says. "I worked and worked for the referendums—phoning people, attending meetings, helping to get people organized—then I couldn't vote on the issue myself."

In September 1972, she formally applied for U.S. citizenship. After studying the materials provided, she was tested in December on the history and government of the United States, and a month later was called and invited to come in to take the oath and receive her papers. However, some members of the family could not be present at that time, so Aileen asked to be called in for the next such ceremony in April.

A lot of planning went into the arrangements for getting the family together for the ceremony. It is a big step, becoming a citizen of another country, and Aileen wanted the family to share it with her. The Biel's four children—Mark, 11; Jennifer, 9; Andrew, who turned 8 this Tuesday; and Stephen, 5, were excused from school. Aileen's sponsors, Ken Smouse and Evelyn Sheppard, took the day off from work. But none of the planners had apparently given much thought to the fact that 201 new citizens were being sworn in that day. Consequently, the group was moved about three times before the ceremony began; in the process, of course, people's places were re-arranged. When the papers were handed out, the clerk had much difficulty with the 201 names, representing 40 different nationalities. "I thought I heard my name called three times. So I posted my daughter Jennifer near the clerk to listen for my name. The next thing I knew, the clerk was handing Jennifer other people's papers, and she was passing them out."

"It made an otherwise very solemn occasion somewhat humorous and definitely memorable."

CHAMBER EMPLOYMENT SERVICE SUCCESSFUL

The Antioch Chamber of Commerce and Industry is happy to report that the Employment Referral Service has been well accepted in the first three months of operation!

The list of jobs open in the Antioch area has been revised and up-dated and is now available through either the First National Bank (395-3111) or The State Bank of Antioch (395-2700). If you are looking for a job in Antioch, why not call and see what is open? This is a free service offered by the

Antioch Chamber.

Mr. Bussinessman, do you need help? If you would like to use this service, call the Chamber Office (395-3381) and give us the specifics. We will list it with the banks and try to find an employee to match your requirements. There is no obligation on your part. This is a free service of your Chamber of Commerce and Industry.

UMBRELLA OF EDUCATION

This week the Antioch Grade School System, District 34, has been faced with a difficult question, which has led them to ask: "How much can be encompassed under the umbrella of education?"

This question was raised when they were informed that there is a 3½ year old girl in Antioch who needs some help. This little girl has no control of her body from the neck down. Her arms and legs move in the same fashion as a new born baby's. This girl is going to need some special education. A letter has been received by the school asking them to foot the bill to send her to Grove School in Lake Forest.

This is a special school, that is equipped to cope with a child of that sort. The tuition for the school is \$2,000 of which \$1,400 would be reimburseable. Transportation would also have to be covered and would cost the Antioch School District \$75 to \$80 a month; 80 percent of this figure would be reimburseable.

It was the feeling of the school board at last Tuesday night's meeting that it is not the monetary expense they are concerned about, rather it is the situation they are placed in. How much are they responsible for? If they refuse to pay for this child they are liable to have a suit brought against them.

Supt. of the Grade School, Henry Meyer contends that for years the school systems have had to assume more and more responsibility. The schools have been responsible for everything from feeding the students to health.

In the past this type of case probably would have been handled by the State Health Department or by a similar department. Granted the money still comes out of State or local funds, but now the ultimate burden has been placed on the Educational system.

It is now a State mandate that the schools must take care of any child with a severe problem, whether it be physical or mental, beginning at the age of 3 years. (There are already some 3 year old students in the system.) Law also requires the schools to feed the children a hot lunch; prior to this time it was permissible, but not a requirement.

Supt. Meyer commented that it is now permissible to have breakfast - how long will it be before breakfast becomes a requirement?

Mr. Meyer said, "Provisions are now such that we can, and in some cases must, furnish both psychological and medical care for all children with special needs.

"My question is - How long will it be before we are required to furnish psychological and medical care for all children?"

"If child care is going to come under the umbrella of education, then people ought to recognize that this is happening and at least let it happen with

NOTICE

ATTENTION COLLEGE STUDENTS!!! Please notify us when you leave school for the summer. We will discontinue your subscription until you return to school in the fall and give you credit for the time unused.

DEAR EDITOR:

As an Independent Voter, who neither directs her loyalty towards either political party, I have to honestly admit my feelings towards our form of government are now optimistic. Since the Watergate affair has been brought out in the open, and with each passing day more facts and evidences brought forward, it shows our form of government is still functioning under the check and balance system.

When ever national leaders, Congress or the press become too powerful and completely dominate all other branches of government and media, the American people are in gray trouble.

I cannot praise highly enough the New York Times, Post, the press and news media for continuously probing and investigating new evidences which in turn uncover this national scandal.

I sincerely believe, that we all should stop vocalizing our complaints about government whether it be tax loophole, welfare system, inflation, corruption, etc. and do more participating by writing letters to our Senators and Congressmen. Believe me it works. Remember the government was for the people - not just for our national leaders.

Sincerely

Joyce Kufalk

GENTLEMEN:

We receive the Antioch News weekly and read about Scott's Seals for the Little League. Enclosed find seals and will you be so kind as to see that they get to the right party. I hope these few seals will help.

Thank You

Mrs. A. Gentzen

We gave the Seals to Mrs. Shirley Gutowski, Mrs. Gentzen. We certainly do appreciate your thinking of the Little Leaguers here in Antioch. Every little bit helps. Thanks very much.

GENTLEMEN:

We wish to express our appreciation for your contribution to the observance of Postal Week. I feel as though it was a great success, thanks to you.

Sincerely

Walter P. Barnas

their approval. If they don't agree that this should be the case, then they had better begin making their thoughts well known to legislators during the next few years."

Mr. Meyer has brought up a very good point, and this is the time to consider just how much our schools should be responsible for.

CONGRESSMAN EXPLAINS KERNER IMPEACHMENT STAND

Congressman Robert McClory stated from his Washington Office that his failure to sign a recommendation calling for the impeachment of convicted Federal Court of Appeals Judge, Otto Kerner, is based on ethical, legal and procedural grounds.

The Congressman stated as follows: "Under the Constitution, the House of Representatives has the sole power of impeachment. In this connection, the House Judiciary Committee upon which Congressman Tom Railsback and I serve as Members, acts in a capacity similar to a grand jury—to investigate and recommend action which the House of Representatives might take. Accordingly, it would seem highly inappropriate for me to

become a complainant against Judge Kerner, and then undertake to serve as a juror. I believe Congressman Railsback concurs with my position.

"If I should elect to become a complainant and sign a letter urging Judge Kerner's impeachment, I would be forced to disqualify myself on the Judiciary Committee. I do not believe that this would be consistent with my obligations to represent my constituents and the people of Illinois and the nation, in the event impeachment proceedings should materialize.

"I am aware that Judge Kerner has taken leave of absence during the period of his trial, and I am concerned that the failure to have this Judicial post filled is most unfortunate to the administration of justice. My earlier recommendation that Judge Kerner should resign his Judicial post was based on the proposition that then the office could be filled by appointment of another Judge, to the end that the duties of this office might be served."

Congressman McClory explained further that under the Constitution, the House of Representatives has the sole authority to vote impeachment proceedings. Thereafter, impeachment (or trial) proceedings themselves are conducted before the U. S. Senate. No impeachment trial in the Senate, of a Federal Judge, has been held since 1936.

MURPHY UNHAPPY WITH HIGHWAY PRIORITY PROGRAM

Lake gets nothing!

"When I reluctantly supported the billion dollar capital improvement bond," said Murphy, "it was on a pledge that Lake County would get Route 120 completed and several other major improvements including Routes 22, 49, 132, 134, 173, etc. These were all on the scheduled agenda.

"With Governor Ogilvie's defeat, they were all held in abeyance until Governor Walker reviewed them.

"County Commissioners Harry Robin and Lloyd Murrie and Chairman Ron Coles met with me and pledged county money for some highways, if they could get some assurance that the county could recover it in the next fiscal year."

Murphy said, "We went to work on the project from this angle, and we are pleased to announce today that we have now been officially notified that Highway 59 will be widened from the present 18 feet to the standard 24 feet and completely resurfaced from Grand Avenue to U.S. Route 12 south of Fox Lake. The work on this is supposed to start in August of this year."

The portion of Route 59 from Route 132 to Route 173 at Antioch is scheduled for the spring of 1974. Route 134 from Wilson Road to Route 120 at Hainesville is scheduled for the fiscal year beginning July 1, 1973. Illinois 132 from Route 59 to Route 83 at Lake Villa is on this month's letting for widening and resurfacing.

Murphy stated that while he is not satisfied, this much is better than nothing.

"Attribute even this much to the cooperation and aid I received from our Lake County Highway Commissioner, Ed Streed, and the County Board Members, The Honorable Lloyd Murrie, Harrie Robin and Chairman Ron Coles," said Murphy.

Rep. W.J. Murphy (R-Antioch), House Majority Whip, stated today that he had been terribly disappointed last week when Governor Dan Walker released his priority program of highways to be built in the State of Illinois because Lake County again was missing from the list.

Representative Murphy recalled that since 1948, we have had a Lake County resident or Lake County oriented man as Governor of the State including Governor Adlai Stevenson, 1948-1952, Libertyville; Governor William Stratton, 1952-1960, Ingleside; Governor Otto Kerner, 1961-1968, Antioch; Governor Richard Ogilvie, 1969-1972 (whose wife was a Lake County girl from Volo); and now, of course, Governor Dan Walker of Deerfield, Illinois. Yet, the only major improvement that has occurred in all these 25 years was Route 12 to Fox Lake which was mostly federal money, the Tollway and portions of Grand Avenue and Route 120, all done under Governor Stratton.

Murphy said he was again hopeful that Governor Walker would at long last recognize that Lake County, which is one of the fastest growing counties in the State, was overdue for highway improvements.

Early in this session, Murphy registered his displeasure with the fact that he has tired of Lake County being a "step child". He pointed out that Lake County contributed more road tax money to the road fund than any other county in the State except Cook and DuPage. Yet again,

6th Grade Poetry

The following poems were done by the students in Mrs. Jensen's classroom at the Antioch Upper Grade School. The students received no help from the teacher except for spelling. This is the first time they have ever tried writing poetry.

BOOKS

Books do
have feelings too.
They don't like to be dropped
Or left wide open to be split
in half.

Kathy Walsh

THE FROG OF LAKE MARIE

There once was a frog,
Who lived on a log,
On the banks of Lake Marie.
And the words of a song,
that he sang all day long,
were Croekety, Croekety, Crog.

CAT ATTACK

Jim was once attacked by a cat
Then he took a baseball bat
He hit the cat square in the head
So the cat flew onto the driveway dead
Jim got so scared he ran in the house
He ran faster than any man or mouse
The next morning Jim's father said
"There's a cat in the driveway
apparently dead,
Its got to be dead its all full of blood
So, I may as well throw it in the puddle of mud."

Tom Stroschein

THE MIDNIGHT DREAM

The Wind Howls,
The dog barks,
It's midnight at the grave yard.
The willows cry,
The Witches sigh,
The Wind decides to die.
The monster sings a ghostly song,
That doesn't have a tune.
My light turns on,
My alarm clock rings,
And ends my dream to soon.

Lori Rush

Out of the past

Mrs. Gerald Wittbrodt shows a copy of The Antioch News from 1913 to her daughter, Angela, and Barbara Rush, Business Manager of the newspaper. The magazine section, which Mrs. Wittbrodt uncovered while cleaning her attic, was a monthly supplement to the newspaper, containing serial articles, advice columns, humor and national advertising. On the table are some of the other items found in the Wittbrodt's attic: (Staff Photo)

The spring rains we have had lately are destructive, annoying and depressing. However, one of the many things that can take your mind off the weather is to clean out drawers and attics. Mrs. Gerald Wittbrodt of 607 E. Grand Ave., Lake Villa, found that attic cleaning takes you into the past and makes the hours fly by.

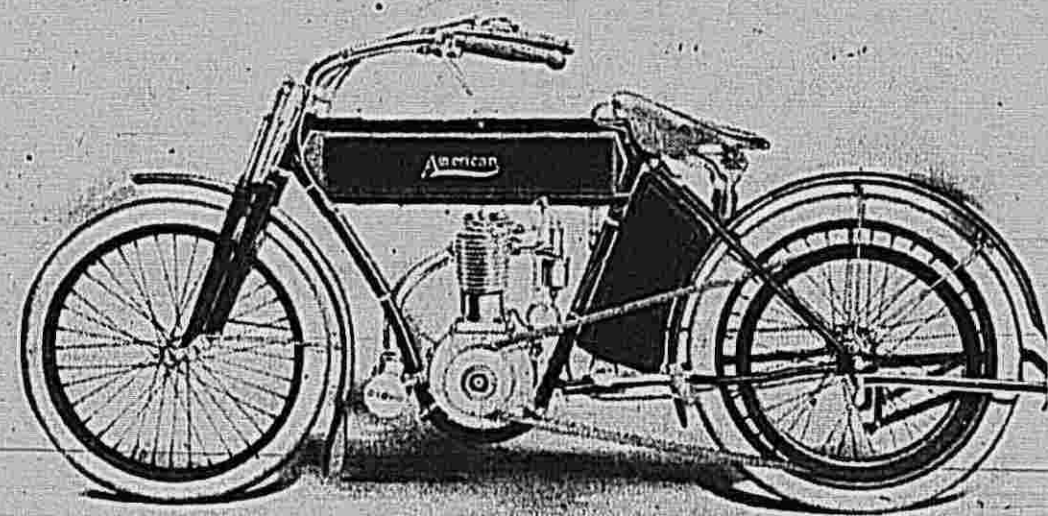

While cleaning out her attic last week she ran across some old papers and books. Among them was a September 11, 1913 Magazine-Section of the Antioch News. She was kind enough to call us and bring the old paper over for us to look at, as well as some of the old books that were found. There was a Harpers Introductory Geography book printed in 1877; a Third Standard Imperial Geography book printed in 1878 and a letter from Mr. Leo S. King concerning the purchase of a

motorcycle with these stipulations: 1. 2 horse power. 2. Grip Buffer Control. 3. Run by batteries. 4. V. belt Transmission. 5. Single Tube Tires. 6. Low Frame. 7. 28 Inch Wheels. 8. Extra Long Handle Bars 6 inches higher than the saddle and 9. Price \$50 or \$55. The book of American Motor Cycle Co. was also among the treasures.

Names in the geography book were Leo, Ana and Paul King. Also Nettie and apparently the father, James. Mr. James King also purchased a portrait in May of 1912 for \$1.98.

Upon looking at a Dr. Miles' Weather Almanac of 1914 we find the weather to be warm and summer-like the week of May 14 to 17th. The Sun rose at 4:42 and set at 7:11 on May 16, 1914.

Sunshine needn't just be outside, it can shine in our hearts, cupboards and attics as well if we just look for it.

American Tourist Model 51

V Belt Transmission, 431 h. p.

PRICE \$235.00

See detailed specifications page 18

In 1911, Mr. Leo S. King of Lake Villa received a catalog from the American Motorcycle Co., including the above illustration. The catalog was recently discovered in the attic of the Gerald Wittbrodt residence. (Staff Photo)

BATTLEFIELD

Take me down to the battlefield.
Let me hear the shells go flying
by.
Let me hear the men scream for
shelter.
Let me see them tumble to the
blood soaked ground.

FREE FORM

May 15, 1969
She was killed.
I remember that day,
Because I was there.
It was all my fault,
I know it.
We were just playing around--
We were,
Honest.
She pushed me,
I pushed her.
Then it happened--
She fell.
Then I knew it was my fault.
She came back,
haunting me
Because I killed her.
I told her,
I killed you, it was
All my fault.
I pushed you.
She told me:
I have come back to kill you.
But I don't want to be killed
you think I did.....Help!
But.....Help!
Connie Lytikainen

ST. PETERS HOLDS ART FAIR

Various art projects done throughout the year in classes at St. Peter's School are now being exhibited in an Art Fair in the school's Blue Room. Also exhibited are other art projects done independently at home by the children.

These drawings, painting and crafts were awarded ribbons in each grade. The arrangement of this display was created by Mrs. McManus, the second grade teacher.

The students who won are:
Grade 1: 1st-Chris Apostol;
2nd-Richard Carl; 3rd-Catherine Purfeerst 4th-Jody Greis.
Grade 2: 1st-Michelle Moser;

2nd Joey Apostol; 3rd-Colleen Joern; 4th-Mary Palenik.
Grade 3: 1st-Alex Apostol;
2nd-John Grant; 3rd-Joey Emmerich; 4th-Chris Sheppard.
Grade 4: 1st-Barbara Davis;
2nd-Peter Apostol; 3rd-Gail Koss; 4th-Adam Venn. Grade 5:
1st-Michael Joern; 2nd-Beth Venn; 3rd-Julie Koss; 4th-Stephen Ksiazsk. Grade 6:
1st-Mary Ann Mihovilovich;
2nd-Diane Emmerich; 3rd-Tom Carroll; 4th-Paul Zeien. Grade 7:
1st-Steven Davis; 2nd-David Zeien; 3rd-David Scarpelli;
4th-Patrick Solar. Grade 8:
1st-Glen Rzyko; 2nd-Paul Boarini; 3rd-Mark Stahl; 4th-Leila Ivey.

EYE SORE ON SPAFFORD STREET • • • WILL IT LIVE OR DIE

When you live in a nice area and you spend a lot of time on your home to make it a nice place to live and you pay high property taxes,—should you have to live next door to an abandoned ill-cared for home?

This question was asked by a resident of Spafford Street Wednesday night at the Village Board meeting. He made a formal complaint to the Board. The house in question is located at the corner of Spafford Street and Harden Street and is owned by Warren Stanton.

The Stanton residence has been vacated for over a year now. Prior to this time, Mr. Stanton had lived there for

three years. During that time, the concerned neighbor contends, he lived in the basement of the house "like a hermit."

Mr. Stanton has been in the Veterans Hospital for over a year now, and it is not known whether he plans to return to his home on Spafford Street or not.

The Village Board has moved to send the Village Health Inspector into the house if this can be done legally, after which some action may be taken.

THE ANTIOCH NEWS will publish a follow-up report after further investigation and possible action at next Monday's Village Board meeting.

This is the Warren Stanton residence on Spafford Street at Harden, which has been the object of complaints to the Village Board by a neighbor. The neighbor himself has made some effort to cut the grass, but the house itself (vacant since last year) is in general disrepair. (Staff Photo)

OAKLAND SHORTAGE SEEN

The rapidly increasing student population in the area has made its presence known to the Oakland Grade School. When next September rolls around Oakland will be short one classroom. There are too many first graders for the present facilities.

Therefore, one classroom will undoubtedly have to be transferred to the Antioch Grade School. A decision of what action will be taken will be made shortly and a meeting will be held with involved parents before public announcement is made.

FAMILY CAMP DATES OPEN

Planning on family camping this year? You need not spend a lot of money on tents, trailers and equipment to go family camping.

Bill Messerschmidt, Lake County Assistant Extension Adviser says that there are openings at week and week-end family camps scheduled for June, July and August at two 4-H camps in Northern Illinois. These camps offer programs in swimming, boating, archery, crafts and nature, similar to the regular 4-H Camp.

Both camps have cabins and also electrical hook-ups for a limited number of camping trailers.

The camps are White Eagle 4-H Camp near Forreston, Illinois, and Camp Shaw-Waw-Nas-See near Kankakee.

For rates and registration information, contact Messerschmidt at the Lake County office of the Cooperative Extension Service in Grayslake, Route 45 & 120, or phone 223-5844.

SUMMER CAMP FOR HANDICAPPED

United Cerebral Palsy of Greater Chicago is pleased to announce that it is now accepting registrations for its seven summer day camps for handicapped children. At camp, the children have a summer of fun, companionship and healthy supervised recreation, despite their handicaps.

Children between the ages of 5 and 15, in Cook, Lake, DuPage and Kane counties are eligible.

The six week camp season begins on Monday, July 2 and continues through Friday, August 10th. Hours are 9:00 a.m. to 2:00 p.m.

The program includes swimming, field sports, games, nature hikes and field trips, arts and crafts. Since the degree of handicap varies, all activities are adapted to the child's ability level.

The camps are under the supervision of highly trained staff familiar with the needs of handicapped children. To provide maximum care and safety, there will be one staff member for every three children.

Parents who have not already been contact by United Cerebral Palsy are intited to write or phone the Agency for additional information. The Agency's offices are located at 343 South Dearborn, Chicago, phone: 922-2238.

FNB

The Time Machine

70 YEARS AGO, MAY 21, 1903

For Sale—One full blood Poland China Sow and nine pigs. Inquire of G.D. Stanton, Antioch.

The barn of Eldora Horton was completely wrecked as a result of a tornado. Also, his wagons and buggies were more or less damaged by falling timbers. The wind also demolished the Methodist Church chimney as well as others throughout the town.

50 YEARS AGO, MAY 16, 1923

Howard Wilton purchased a new Buick touring car in Waukegan last week.

James Stearn was a Chicago passenger Friday.

Work is progressing rapidly on a new home John Morley is having built on South Main Street.

20 YEARS AGO, MAY 14, 1953

The Lindenhurst Farm of 500 acres of Lake Villa recently was purchased by N.H. Engle & Sons, of Chicago with offices in Venetian Village and will be subdivided in 1,800 lots. Owner of the property was Mrs. E.A. Siebel who disposed of her livestock and equipment and sold her farm for \$500,000. The Engles plan to use the farm buildings for shops and storage in building new homes at the rate of 150 a year.

Five entries have been made for the American Legion Carnival Queen. They are Mary Lou Osmond, JoAnne Quilty, Wendy Midgely, Syliva Beelow, and Rosalie Morris. Entries for the contest will close June 17.

10 YEARS AGO, MAY 16, 1963

Janet Polley was named Valedictorian and Joan Stepenske as Salutatorian for the class of '63. The D.A.R. Award was presented to Carol Sisson.

An open house was held at Grass Lake School for Mrs. Roblyn Golden, teaching principal of the school for 15 years.

TAX RELIEF FOR FLOOD VICTIMS

The President's declaration that parts of Northern Illinois are a disaster area as a result of the recent storm and flooding which occurred on or about March 1, 1973 makes special tax benefits available to disaster victims.

Roger C. Beck, District Director of the IRS for Northern Illinois, said that taxpayers may elect to deduct their disaster losses immediately by amending their 1972 Federal income tax returns instead of waiting until next year. Fiscal year taxpayers may also deduct their losses on their preceding year's return.

Individual calendar year taxpayers have until April 15, 1974 to claim this year's losses on amended 1972 returns, Mr. Beck said.

Calendar year corporations would have until March 15, 1974 to amend their 1972 returns and claim such losses. Fiscal year taxpayers have a similarly extended time period.

Individuals should file amended returns on Form 1040X. Corporations should use Form 1120X. Copies of forms and instructions for their use are available at local IRS offices.

Mr. Beck advised taxpayers suffering losses in the following counties to prepare and retain records and information establishing the amount of their losses: Boone; Carroll; Cook; Jo Daviess; Kane; Kendall; Lake; McHenry; Mercer; Ogle; Rock Island; Whiteside; Winnebago.

Non-Business casualty loss deductions are limited to the amount over \$100 for each casualty.

Taxpayers can expedite refunds by marking "Disaster Area Loss" at the top of the

1040X or 1120X, writing in their telephone number and sending the form to IRS Service Center, Box 5130, Kansas City, Missouri 64132, a special address to be used only for disaster loss claims.

IRS Publication 547, "Tax Information on Disasters, Casualty Losses and Thefts," describes procedures for claiming casualty losses. For a free copy send a postcard to the District Director, Internal Revenue Service, P.O. Box 1193, Chicago, Illinois 60690 or pick up a free copy from your nearest IRS office.

LAKE COUNTY RESIDENTS ELEGIBLE FOR DISASTER RELIEF

Lake County residents became eligible for disaster relief on April 26, 1973. Victims of local flooding may now receive assistance from the Federal Government. In addition, arrangements have been made with federal authorities to establish an individual assistance center in Lake County. Local residents may process relief applications and receive disaster assistance at the Fox Lake Fire Station, Ernest at McKinley Avenues in Fox Lake, Illinois. This center will open May 10, 1973 and will remain open Monday through Saturday from 9:00 a.m. to 6:00 p.m. until all flood victims have received assistance.

Lake County flood victims are eligible for disaster assistance for a "period of incidence" that began March 1, 1973. Available assistance includes: low interest loans; temporary housing; unemployment compensations; legal services; public health

REMEMBER WHEN

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

GAS AND TENTATIVE BUILDING PLANS BECOME TOPIC OF DISCUSSION

Where will next year's gas come from to run the buses? In view of the fuel shortage, this was a serious question that the Grade School Board had to ask themselves last Tuesday night, May 8.

The real problem seemed to center around the question of whether or not they will be able to secure a firm bid with an adequate amount of assurance.

It was discussed whether or not bids should be opened for fuel oil and gasoline. If bids were to be opened and a small company were to get it, how could they be sure that it would not fold faster than a big company during the pinch, a board member contended.

Gerry VanderMeer, who is President of the Board commented, "If there is going to be gas in Lake County I believe that Olson will have it...he is local and has been here for a number of years. We will be in a heck of a spot if we are out of gas."

Olson's Mobile has been supplying the fuel to the school and the Sun Oil Company has been supplying the oil.

A decision was not made on

this matter at the meeting as further investigation will be made. The issue will again be considered at the regular June meeting.

Mr. Ron Anderson, one of the Architects working on the five year tentative building plans for the Grade Schools, gave a presentation. The plans were among the first of four presentations and included expansions to the Channel Lake School and the Antioch Grade School.

After the presentation, Mr. LaVerne Woods, who is a member of the Board, said,

"I think that we have lost track of what we are doing here. All we have is learning centers and gymnasiums again. We don't have any place to put the first graders at Oakland School and so now we are planning to put in learning centers in the Channel Lake and Antioch schools. I really think that we have lost sight of what we are doing."

Mr. Meyer was not lost for an answer and quickly responded that this is only two parts of the four point plans. The plans have been under construction simultaneously by request of the Architect. He said that the Oakland Grade School addition is also being worked on, but it is still in the rough stages and is not ready for presentation.

Mr. Meyer stated, "These plans are not contrary to the recommendations that you have voted on and accepted."

Mr. Woods replied, "Well then I think that we have started at the wrong end then."

It was then argued that it didn't make any difference which plans were completed first since that action will not be

taken until they are all approved. It had already been decided that these building plans would be grouped together and be presented to the public in the form of a bond issue.

The following motion was also passed. "It is hereby resolved that the Board declares there is no money in the treasury to pay Educational Expenses and, therefore, authorizes the President and Secretary of the Board to negotiate to borrow \$100,000.00 on Anticipation Warrants at an interest rate not to exceed 6 percent." None have been issued to date in the Education Fund. They will be sold as needed.

Like a good neighbor,
State Farm
is there.

With lower rates
for Illinois
car owners.

A reduced number of claims in the State has resulted in reduced car insurance rates for most Illinois policyholders.

And they still enjoy the same high-quality protection and dependable service that have made State Farm the world's number one car insurer.

Sound good? Then give me a call and compare. I may have some good news for you, too.

THE PORTRAIT IN OILS....
It is not advisable for someone who has never used oil paints to start out in this medium doing portraits. There are problems enough getting a likeness and good flesh tones, without the additional problems which beginners face learning about supports, grounds, brushes, mediums, and the basic mixing and applying of the oil paints. So assuming that you know these basic things about oils, and have had some experience probably doing landscapes and still lifes, we can go right on to help you start in portraits.

If you like to paint on canvas, be careful to select canvas that has rather smooth texture, for rough woven canvas has irregular, large bumps, which could cause unexpected "blemishes" on the face. If you texture your own supports, probably with a gesso ground, consider what the texture will do to the face if you paint with heavy brush strokes or with a painting knife, the ground texture is not so important.

There are many ways of painting portraits in oils. Here are just three possibilities for you to try. You could start with a careful charcoal drawing of your subject, and trace over the lines with umber, ochre, or blue diluted with turpentine. Over this begin to lay in color, first with thin washes, then build up the surface slowly with more paint as you model in the features by adding the highlights and shadows. A smooth painting is achieved with sable brushes, and blending colors into each other so as to minimize brush strokes. Or you could use bristle brushes and play up brush strokes a little, or a lot. Or you might even do it all with the painting knife and push the paint at will.

You might prefer to start in on a toned ground. cover the

entire surface with a neutral tone of a medium value, such as grayed sepia color. With lighter colors work in highlights where needed and with darker colors work in the shadows. Add colors as you model the features. This is a direct method of working without any preliminary drawing. It is free and spontaneous, but unless you are experienced in portraiture, you might have problems getting a likeness. Try it anyway, just for the experience. It might just suit you.

About the most free way of working is alla prima, which is putting heavy color on the support directly, without any underpainting. This is usually done either with bristle brushes or painting knife, the knife giving the heavier impasto. The layers of paint are buttered on or brushed on pure with very little blending for smooth transitions. The effect is blotches of colors.

These are but a few of many ways artists work portraits. A beginner should experiment to find what method suits his temperament, for it isn't the style of painting that makes a good portrait. Good portraits are good likeness, fresh, clean colors and interesting compositions.

Happy Painting

Next Week: **FLESH TONES FOR PORTRAITS IN OILS**

Difference in Banks

by L. M. Woods

President

First National Bank of Antioch

"You mean to tell me that all banks are not the same?"

This question, in a variety of forms, has been repeated by a number of customers ever since we at The First National Bank began displaying our new "Independent Community Bank" symbol. Yes, we believe there is a big difference. A difference that is just as important to you as a consumer and to Antioch as a community as it is to us at the bank.

For the most part, the work of a bank does not attract a great

deal of notice, even though it can make the difference between stagnation and new vigor for a community. There is a major difference between independent community banks and banks which are part of large groups. The First National Bank is an independent community bank. Its ownership and management are centered here and the bank does well only if Antioch prospers.

Members of multibank sys-

tems-holding companies and branching systems have headquarters in large cities, a widely dispersed ownership, and not nearly so basic a commitment to any single community. So what? What difference does this make to someone who lives and works in Antioch?

It means for one thing that as long as there is an independent community bank operating here, the credit decisions that affect the business life of the community will be made right here with the interests of this town as a major factor in those decisions. It means that the money you leave on deposit will be loaned within this area and not funnelled back to some central point for lending mainly to giant corporations. It means that our bank knows the entire community, knows its needs and its people. As a result, we are aware of when money is going to be needed for all types of local business and we make sure it's available. It also means that when someone has a financial decision to make, we know the town well enough to give him all the facts needed. In short, this is our town and we're tied to it with stronger bonds than any other business. A bank can't just pick up and move out.

This column will be devoted in coming months to reports on interest rates, mortgages, automobile loans, taxes and other areas of life in which a bank can and should play a role in the life of its town.

I will also be reporting to you on developments within banking which may not come to your attention through regular news reports but which affect the economic life of our town just the same.

Also, this column is a means for us at the bank to make what we do more easily understood by our customers. So we welcome any questions you have on banking or economic issues in general.

FIVE ALLENDALE BOYS VOLUNTEER TO BAG SAND ALONG FOX RIVER

Five residents of the Allendale School for Boys contacted the State Highway Department on April 27 and volunteered to bag two truck loads of sand to help prevent further flooding

along the Fox River.

The boys are Barry Dahlquist, Bruch Carlson, Lester Cahill, Tony Hodes, and Steve Jones, all a part of the Allendale's grade school program.

ALTAR & ROSARY SOCIETY ELECTION HELD

An election of officers was held in the Family Room of St. Peter's for the Altar and Rosary Society on May 8.

Newly elected officers are: President-Evelyn Freund; Vice President-Pearl Roach; Secretary-Loretta Schiffman; Treasurer-Jean Benes.

We are grateful to the nominating committee for their help. They are: Dorothy Purfeerst and Helen Zeien. We also thank our going officers for a job well done.

DRIVERS LICENSE TEST UNTIL 8 p.m.

Drivers License Examination Stations open Wednesday evenings for inside license testing will now provide road tests until 8 p.m. beginning Wednesday, May 16, according to Michael J. Howlett, Secretary of State.

"This service will be provided during summer daylight time only," Howlett said.

LAKESIDE REBEKAH LODGE NO. 82 OF ANTIOCH

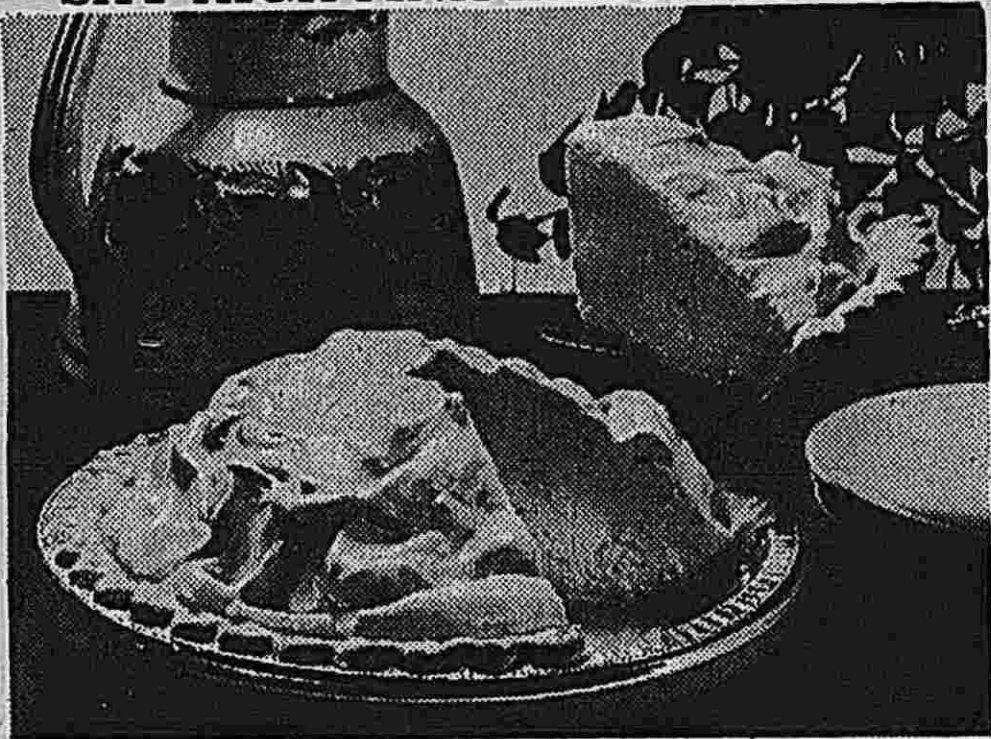

Five members of the Lakeside Rebekah Lodge No. 82 of Antioch attended the District Three Association Rebekah meeting, held in Hundley Memorial Masonic Temple in Highland Park on May 9th. The day long confab was broken by a delicious chicken dinner at noon, served at the temple. Mrs. Clarence Larson and Mrs. Charles Ferris served on the State Order Committee. Mrs. Ida Wysoglad was on the Resolutions committee, with Mrs. Wayne Jones as the Assistant Inside Guardian. Mrs. Walter Buchert was with the Registration committee. More than 75 ladies were present from the Autumn Leaf Rebekah No. 66 in Barrington; the Justin No. 784 Lodge from Crystal Lake; the Sheridan No. 801 Lodge in Highland Park; the Lakeside Rebekah Lodge No. 82 from Antioch; the Libertyville Rebekah Lodge No. 588; and the Waukegan Rebekah Lodge No. 340. This was the 31st semi-annual meeting of District Three, and they were honored to

have the Illinois State Assembly President, Mrs. Elvira Fenton; the District Three President, Mrs. Hugh Warren, and Sheridan Lodge Noble Grand, Mrs. Cleo Ballinger, both of Highland Park. All five members from Antioch reported an enjoyable, educational event!

Sorry to say that Mrs. John Hagen is in Victory Memorial Hospital to undergo tests, and that Mrs. Joseph Danca, Beach Grove, is in Lake Forest Hospital. Mrs. Danca has already been hospitalized for two weeks, is in considerable pain, and does not know how long she must remain there. Both of these pleasant ladies would surely welcome get well wishes from their many friends in the community. **HERE'S WISHING BOTH YOU LADIES A QUICK RECOVERY TO GOOD HEALTH!**

Many long time residents of the Antioch area will be saddened to learn of the sudden death of Mrs. Marvin Nelson, on May 12th, in Sandwich, Illinois. The Marvin Nelsons operated a farm on Route 45 for many years, and were active members of the Milburn Congregational Church. Those friends wishing more information regarding Evelyn Nelson's death, should contact Mrs. F.A. Swenson at 395-4133.

SKY-HIGH PINK LEMONADE PIE

- 1 envelope unflavored gelatine
- 1/4 cup cold water
- 1 can (6 ounces) frozen lemonade concentrate, thawed, undiluted
- 1/4 cup sugar
- 1 cup evaporated milk, chilled
- Red food coloring
- 1 frozen 9-inch pie crust shell, baked

Sprinkle gelatine over cold water and undiluted lemonade concentrate in saucepan. Place over low heat; stir constantly until gelatine dissolves, about 5 minutes. Remove from heat; add sugar and stir until dissolved. Chill, stirring occasionally, until completely cooled. Pour chilled evaporated milk into chilled mixing bowl; beat at high speed of electric mixer until stiff, about 5 minutes. Fold in cooled gelatine mixture. Add a few drops of red food coloring to make pink color. Turn into cooled pie crust shell. Chill until firm, about 2 hours. For a frosty-cold pie, place in freezer for 4 hours. If frozen overnight or longer, remove from freezer 15 to 20 minutes before serving. **YIELD: 6 servings.**

FOUR ANTIOCH JAYCEES TAKE PART IN 1973 STATE CONVENTION OF THE ILLINOIS JAYCEES

Representing Antioch at the recent State Jaycee's Convention in Springfield were Mr. and Mrs. Tony Starcevic (left) and Mr. and Mrs. Terry Folbrick.

Four members of the Antioch Jaycees and their wives were in Springfield on May 4, 5, and 6 to take part in the 1973 State Convention of the Illinois Jaycees.

Representing the local chapter at the convention were Mr. and Mrs. Tony Starcevic and Mr. and Mrs. Terry Folbrick. Tony Starcevic is president of the Antioch chapter and Terry Folbrick is the external vice president.

More than 2,000 Jaycees and their wives from all parts of Illinois took part in the state

convention being hosted this year by the Springfield Jaycees. The convention ended on Sunday afternoon, May 6.

The Antioch Jaycees were formed last year. So far they have run the Cubs Baseball Trip program, the Turkey Shoot, the Kite Fly Project and the Watermelon Sale. They are planning the second annual Cubs baseball trip soon.

At the 1973 State Convention the Antioch Jaycees were the first of the delegates voting for new state Jaycee officers to

register and be certified.

Upon arrival in Springfield Friday night, the local Jaycee delegation launched into convention activities centered around the theme of "Welcome to Our World - An International Weekend for the Illinois Jaycees."

Kicking off activities Friday night was an Oktoberfest for all Jaycees and their wives featuring German foods, polka contests, German games of chance and entertainment by the original Heidelberg Band from Quincy. Caucusing by local delegates for the election of new state Jaycee officers began at 11 p.m. Friday and went into the early morning hours of Saturday.

Saturday morning featured a prayer breakfast with an English theme. Wives of Jaycees were given guided tours through Gateway House, a therapeutic community for the rehabilitation of drug addicts, which serves central Illinois. The wives then attended a Tahitian luncheon.

The Jaycees began their business session with an Italian luncheon on Saturday and then went into election of new Illinois Jaycee officers. Inauguration of the new officers took place at a French Banquet followed by the Inauguration Ball Saturday night.

Before returning for home on Sunday, the local Jaycees and their wives participated in an International brunch featuring foods from 15 countries and the annual presentation of Illinois Jaycee awards.

The Illinois State Jaycees recently elected Tony Starcevic, 513 Longview Drive, Antioch, to the post of Regional Vice President of the North Region Illinois Jaycees. Mr. Starcevic, outgoing president of the Antioch Jaycees, has been assigned six local Illinois chapters and will act reciprocally on behalf of those chapters and the state organization.

At the State Executive Board meeting in Springfield, held on Sunday, May 6th, it was announced that Stanley's Mens Fashions, represented by Terry Folbrick, Route 5, Box 425, Antioch, newly-elected Internal Vice President of the Antioch Jaycees, was the successful bidder on the supply order for blazers worn by all Illinois Jaycees State Officers.

ARMY ROTC SCHOLARSHIPS AVAILABLE

The College of Lake County is offering up to three Army ROTC scholarships a year for students transferring to Illinois state universities. According to Sam Mazman, CLC financial aids director, a transfer student must do the following to obtain a scholarship: 1) gain admission to one of the four statesupported universities which offer Army ROTC; 2) be accepted into the school's Army ROTC two-year program; and 3) apply for a scholarship at the CLC financial

aids office.

"The College of Lake County controls these scholarships. CLC officials will make the selections and notify the chairman of the Illinois State Army ROTC Law Scholarship Committee who will provide the recipient with appropriate evidence of his scholarship," Mazman said.

Interested individuals should contact Mazman at the College, Building 6, or call 223-8193 for further information.

LET US SEND YOU OUR SUCCESS STORY

ARE YOU TOO BUSY MAKING A LIVING TO MAKE MONEY?

Let Sun Chemical and Refining Corporation send you our Record of Success, then you decide if it is a track record you want to be part of in making money. Our product is unique and there is none on the market to compete. The **PILL** for the automobile is nationally advertised in Road and Track, Hot Rod, Motor Trend, Car and Driver, Cycle and Service Station Dealer, just to mention a few, and replaces all automotive additives on the market today. You simply drop it in your gas tank, get a ring and valve job and save gasoline. We cut 7 cents per gallon off gas price and we will stop oil burning. We will send you our complete brochure and laboratory testing, and for the qualified person, we will pay all expenses bringing you to our home office for complete training, and furnish you a list of all customers in your area. We pay 100 percent cost of local and national advertising including newspaper ads, radio and TV scripts. We invest three dollars to your one. To get started, you must have \$5,000 to \$10,000 investment for starting inventory depending upon size of territory. (No Franchise Fee) This is truly a ground floor opportunity you should check out if you want a Dream Success Story of your own. If you are serious, let us hear your story and position. If you are not serious, please don't waste our time or yours, as time is money. At this point we are sure you have questions and it is impossible to explain everything in this ad. Our brochure package will explain everything from factory to marketing to consumer use. Our brochure package contains a free gift for you and over 50 pages of pictures, laboratory tests and marketing concept on corporation. Our products are a guaranteed sale to you. For this package, write or phone Mark Anthony, Area code 904-396-5856 or write:

"DIRECTORY OF ILLINOIS CAMPGROUNDS" NOW AVAILABLE

The 1973 "Directory of Illinois Campgrounds" is now available to the public through the Illinois Department of Business and Economic Development, Division of Tourism.

The directory is a county breakdown of public and private campgrounds throughout the state. Listings and information about the campgrounds are the result of questionnaires returned by campground managers and owners.

The booklet lists the camping area, address and telephone number. Other pertinent information in the guide are: number of campsites, electricity, types of toilets, showers, boat rentals, fishing, swimming, historic sites, playgrounds and other general information about the campground.

The campground directory

also contains various Illinois laws about boating, driving, hunting and fishing.

Free copies of the directory may be obtained by writing to the Illinois Department of Business and Economic Development, Division of Tourism, 222 S. College Street, Springfield, Illinois 62706.

RIIPI—VAVRA NUPTIALS ANNOUNCED

Suzanne Riipi and Brian R. Vavra were joined in holy matrimony on Friday evening, May 4th at 7:00 p.m. The double ring ceremony was performed by Rev. Charles Q. Lee in the Christian Catholic Church in Zion, Illinois.

Miss Jeanne Riipi served as her sister's Maid of Honor and another sister, Dianna was a junior bridesmaid. Mr. Greg Vavra, brother of the groom was Best Man and Mr. Dean

Ashton an usher.

A reception for 50 guests was held at the home of the bride's parents Mr. and Mrs. Charles Riipi following the ceremony.

The bride is a 1971 graduate of Zion Benton High School and her new husband graduated from Mundelein High in 1968. Brian graduated from the University of Illinois and is now a 6th grade teacher at the Antioch Upper Grade School.

The couple will make their home in Antioch, Illinois.

WOMEN OF THE MOOSE ELECT NEW OFFICERS

There were 51 in attendance at the May 3rd meeting of the Antioch Women of the Moose. Marie Vos, Norma Garvin, Peggy Van Patten and Pat Halper were presented their chapter pins after attending three consecutive meetings.

The following co-workers were elected to serve as officers for the ensuing year, beginning July 1st: Senior Regent, June Ballenger - Junior Regent - Dorothy Laursen - Chaplain, Norma Lowe - Recorder, Judith Page and Treasurer, Judy Cook. Birthday marchers for the month of May were June Ballenger, Gladys Schroeder, Alice Young, Pat Halper and Jean Wilson. Pearl Anderson was congratulated on her 50th anniversary.

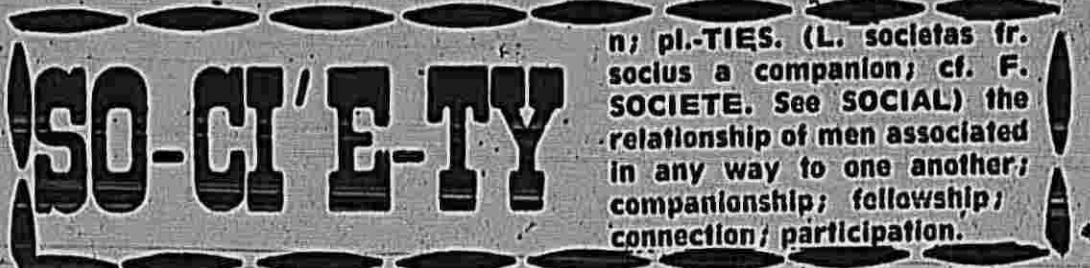

On May 6th June Ballenger and Norma Lowe attended the Academy of Friendship session at Decatur, Illinois and Steph-

anie Polson, Jean Wilson and Cheryl Wise attended the session in Elkhorn, Wisconsin to receive their Friendship degrees. Also attending the session in Decatur were Judy Page, who had a part in the ceremony and Pat Wagner. Loyal Order members attending with their wives were Governor Art Ballenger, Earl Lowe, Jim Page and Gene Wagner. Co-workers attending the Elkhorn session were Erna Toft, Dorothy Laursen, Estell Gatch, Marge Hartman, Leslie Jones, Karen Bartuska, Gladys Schroeder and Jerri Polson. Dinner was enjoyed by this group en route home at the Stage Stop in Wilmot.

The Honorary Dinner will be served to all co-workers in good standing by the Loyal Order, with Chef Dick Stroner in charge, on May 16th. There will be entertainment after the dinner by the Library Committee Judy Cook, chairman.

The Ring Ceremony, honoring the new Friendship members, will be May 17th. All Friendship members are invited to participate.

Advance dates: May 24th - Judy Page to be guest at Green

LIFE SAVING INFORMATION FOR WOMEN ONLY

Two movies entitled "Time and Two Women" and "Breast Self-Examination" will be presented jointly by Pi Delta Chapter of Beta Sigma Phi Sorority and the Lakeland Welcome Wagon along with the American Cancer Society. The movies are free of charge and will be shown on May 17 at 7:30 p.m. at B. J. Hooper School Auditorium, Sand Lake and Beck Roads, Lake Villa. There will be an open discussion with Dr. Thomas H. Brendel,

Radiologist at Condell Memorial Hospital. He is also one of the doctors participating in the free Pap Smear Clinic. The Clinic will be held at the Barwell Settlement, 201 Liberty Street, Waukegan. Call 336-9293 for an appointment.

Refreshments will also be served.

For further information or for any questions call Carol, 356-3478 from Beta Sigma Phi Sorority or Minnetta, 356-2976 from Lakeland Welcome Wagon.

Sue Davidson engaged

Mr. and Mrs. James Osborne of Antioch are happy to announce the engagement of their daughter Susan Lee to Dennis Taylor, son of Mr. and Mrs. Hilman Taylor of Bristol Wisconsin.

The young couple have set June 30 for their wedding date.

LINDA LAGERSTROM PLACES IN EMCEE COMPETITION

"Flynn Valley's Fairy Funny Fables" headed the list of top club acts at 4-H's annual Share-The-Fun Festival.

4-H Share-The-Fun also includes competition through emcee presentations before each club skit. A young girl from the Williwaws 4-H Club, Gale Walker, took 1st place in this phase of Share-The-Fun.

Linda Lagerstrom, Antioch Adventurers, earned 2nd place emcee and Grant D'tmer, Happy Hayceeds was third. Other blue ribbon emcees were Carol Papciak and Cindy

Russell, Volo Busy Bees. Green participation ribbons were awarded to Earl Shanks and Mink Cummings of the Happy Hacceds.

The Antioch Adventurers won a blue ribbon on their act—"How to Judge a Bank."

The 4-H Share-The-Fun Festival is one of over 100 projects and activities available to any youngster between 9 and 19 years in 4-H, regardless of race, creed, or national origin. 4-H is sponsored by the Cooperative Extension Service, University of Illinois.

FINAL MEETING OF ANTIOCH WOMEN'S CLUB

The final meeting of the year for the Antioch Woman's Club was the closing luncheon at The Colony House at Rock Lake on May 7. After a delicious luncheon a short business meeting was held. Each committee chairman gave her final report. It was voted to make a contribution of \$1127 to the Antioch Rescue Squad toward the new heart machine which they have recently purchased. It was also decided to sponsor two Girl Scouts to the Summer Day Camp for Girl Scouts. Members were reminded that the mobile X-ray Unit for the T.B. x-rays will be in Cap Program at Morton Grove chapter.

May 27 to 31 - International Convention, Conrad Hilton, Chicago. Corner stone ceremonies for the new Mooseheart Health Center will be at 1:30 at Mooseheart on May 27th.

Antioch on May 16-17. The following officers and committee chairmen were installed by Mrs. W.C. Petty: Pres.-Mrs. Charles Watson, V. Pres.-Mrs. George Hahn, Secty.-Mrs. Frank Benes, Cor. Secty.-Mrs. O.W. Turner, Treas.-Mrs. Howard Stromberg. Standing committees: American Home-Mrs. Gus. Costoff, Art-Mrs. David Nissen, Community Service-Mrs. Gerald Risch, Education-Mrs. Albert Bucar, Health-Mrs. Robert Gross, Legislation-Mrs. Edw. Brundige, Literature-Mrs. W.C. Petty, Membership-Mrs. Robert Duha, Music-Mrs. L.V. Madden, Parliamentarian-Mrs. Ray Toft, Program-Mrs. John Hojem, Publicity-Mrs. Harry Stern, Rehabilitation-Mrs. Thomas Pechousek and Mrs. A.H. Kaufmann co-chairman, Social-Miss Marguerite Snider, Ways and Means-Mrs. Robert Sven. The luncheon was arranged by Mrs. Gus. Costoff and her committee.

ELLEN MARY BARR ENGAGED

Mr. and Mrs. William M. Barr of Antioch have announced the engagement of their daughter Ellen Mary to Brad Charles Ipsen, the son of Mr. and Mrs. Leylon E. Ipsen, also of Antioch.

Miss Barr is a junior at Carthage College, Kenosha, Wisconsin majoring in Business Administration. Her fiancé is employed at the State Bank of Antioch, where the couple met.

An October 20th wedding is planned at St. Peter's Church, Antioch.

New Deductions

Polly and Ray Bruhn of Antioch are the proud grandparents of Heather Lynn born in Valencia California on May 4th. Heather is the daughter of Happy and Donna Bruhn. The little miss weighed in at 7lbs. 3oz. Sister Charlene who is three years old is mighty pleased with her new playmate and so is Auntie Gay.

Mr. and Mrs. Charles Schuth of Hillside Avenue in Antioch are the proud parents of a baby girl. Jennifer Lynn made her entrance on May 8 and tipped the scales at 6lbs. 10oz. and was 19" long.

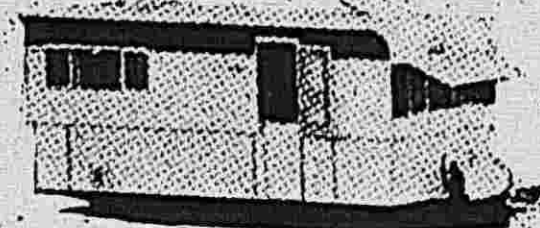

Maternal grandparents are Mr. and Mrs. William Beitzel of Northbrook and paternal grandparents are Mr. and Mrs. Charles Schuth of Antioch.

DAWN WOODS IN RECITAL

The Zion Conservatory of Music will present Dawn Woods and Betsy Sanderson in a senior piano recital Thursday May 24th, at the Christian Catholic Church in Zion. The program will include a selection of solo and duo-piano works by Bach, Beethoven, Schumann, Ibert, Kasschau, and Faure. Both girls are students of Mrs. Thomas Allen of the Conservatory.

Dawn is a senior at Antioch High School and plans to continue her studies as a music major at Eastern Illinois University this fall. Betsy is a senior at Zion Benton High

School and will enter Drake University in Iowa to major in languages and minor in music.

Guest soloist for the evening will be Bill Watson, who will sing and accompany himself on the guitar. He will join the girls in a combined voice, flute and piano number. Bill is a voice student of Mrs. Strip of Waukegan.

The recital will be held in the Fellowship Hall of the Church, and will begin at 8:00 p.m. A reception will be held immediately following the program and the public is cordially invited to attend.

ROTARIANS HEAR MAYOR WILTON'S FUTURE PLANS

The Antioch Rotary Club was pleased to have Mayor Robert Wilton as their guest speaker at their May 10, 1973 meeting. Mayor Wilton gave a talk on the future of Antioch. He has several committees delegated, among them: Community Service Committee (made up of 3 people); Mosquito Control Committee, Off-Street Parking, Sign Committee; Environment Pollution Committee etc. He is in the process of looking for a Park, Playground and Youth

committee, and will be forming a liaison committee for better communication for all his committees. Mayor Wilton had a question and answer period following his speech.

Mike Haley, a trustee was a guest also. It looks like Mike will be heading a great many of these committees. He will be a busy little man during his term of office.

The Antioch Rotary felt their meeting was very informative.

G.W. HOLMES TO SPEAK AT MOTHER OF TWINS CLUB MEETING

George W. Holmes, Executive Director of the Family Counseling Service will be the guest speaker at the regular meeting of the Lake County Mother of Twins Club, Thursday, May 17, 8 p.m. at the YWCA in Waukegan. Mr. Holmes topic will be "Different Needs".

LCMOTC is an organization

for all mothers who have had a multiple birth. This is also a guest night. If you are a mother of twins please join us or call Betty Hill, 244-4085 for more information.

Future events for June include a potluck dinner at which grandmothers will be honored guests.

Along the Way with

Annie Mae

I hope all you mothers were treated royally on Mother's Day! Eight mothers and one father were additionally honored by receiving plants from the Antioch Drugs this past weekend. Winners from the drawing were Mrs. Patricia Mayer, Mrs. F. Miller, Gladys Schroeder, L. Radtke, E. Hkusa, Ellen Swensen, Mrs. Ruth Ann Hehn, Mrs. Louise Stenberg and Howard Hinkle.

There are still some Antioch Woman's Club Cook Books available. Don't miss getting "the best of Antioch cooks" recipes. What a lovely shower or wedding gift for a June bride. They are available thru Jean Irving at the First National Bank. Stop in and get yours now.

A special "hi" to Mrs. Elfrieda Mau. She is a former Antioch resident who moved to Blue Island, Ill. Her friendly little notes are always welcome.

Birthday wishes this week go to Eric Glover who will be 5 on May 16th. To Peter Kessler who

celebrates on May 17; to Polly Bruhn on the 18th; to Marie Van Arsdale on the 20th; to Joan Larson and Jeff VanPatten and Chuck Madsen who all celebrate on the 21st of May. Wishes go to Nancy Pawlowski on the 22nd. It's number ONE for James Burmeister on May 19. Happy birthday to you all!!!!

Anniversary wishes go to Frank and Lucille Kuechenmeister who celebrate 25 years of wedded bliss on May 18 and to Bernie and Lucy Guppy on the 22nd.

Many thanks to Mrs. Gentzen who gets our Antioch News in Antigo, Wis. and was kind enough to send her Scott seals for the Little League balls and bats. That's what I call being thoughtful!

Get well wishes are being sent to Dr. Minger and Sheryl Stadick who are both in the hospital. The weather is getting nice, Up and Out!!

Mary De Stefano really felt like a Mother this weekend. Joe

and Mary's daughter Pam Creekmore and her children Patti, and twins Kevin and Keith have been here for the past 1½ weeks visiting from Red Bay Alabama and their son's wife Nancy and their daughter Linda from Hawaii were also here for Mother's Day. Mike, in the Navy, is out to sea at the present time so "mother and daughter" are visiting relatives.

Don't forget to take advantage of the TB Chest X-rays that will be given on Wednesday and Thursday of this week. The unit will be in front of the V & S Hardware from 1-4 and 5-8:30 p.m. both days.

Any of the local people who suffered from flood damage - Mr. Lloyd Murrie called and said that claims may be made at the Fox Lake Fire Station. Claims must be handled there in person. This is your first step to follow locally.

Well, on my way

Annie Mae

P M & L TRYOUTS

P. M. & L. tryouts for "Three Penny Opera" will be Thursday, Friday, and Saturday, 24, 25 and 26 at 8:00 p.m. at the theatre.

TWO SENIORS OF ANTIOCH HIGH RECOGNIZED FOR OUTSTANDING PERFORMANCE IN MAJOR AREA OF STUDIES

George Marotta and Ed Oilschlager, seniors at the Antioch Community High School have been recipients of singular recognition for outstanding performance in their major area of studies. Annually the Chrysler Motor Corporation conducts an auto trouble shooting competition for high school seniors from the Chicago and suburban high schools. Two seniors may be selected from each school with an auto mechanics program. The Area Vocational Center in Waukegan provides auto mechanics education to students of participating high schools in Lake County. It is from this total Lake County competition that George and Ed were selected. That this honor was well deserved is attested to by their placing 12th out of 44 teams who represented the outstanding performers from their various units. George is the son of Mr. and Mrs. Rocco Marotta of Route 51, Box 154, Antioch. Ed is the son of Mr. and Mrs. Donald Oilschlager of 301 East Grand Avenue, Lake Villa.

George Marotta (left) and Ed Oilschlager, Antioch High School's auto trouble shooting team, cross the wires in a faculty member's car. (Staff Photo)

ROYAL NEIGHBORS CELEBRATE BIRTHDAYS

Royal Neighbors Olson Camp met at the American Legion Hall on May 8th. Irma Hostetler marched in with the American Flag and all said Pledge of Allegiance.

Birthday celebrants for the evening were Alice Lassen - Oracle and Nancy Thayer - Vice Oracle.

Songs were sung and delicious goodies were served by Eva Fields and Emily Novotny. The next meeting will be May 22nd at 7:30 p.m. sharp.

State Representative Donald E. Deuster (R. Mundelein) told the Illinois Bus Association members today that "the Illinois General Assembly is on the verge of making a great historic decision—the creation of a new, modern mass transit system to serve all six counties in Northeastern Illinois, Cook, Lake, McHenry, Kane, DuPage and Will."

Deuster predicted that the General Assembly would establish a "single operating

ST. PETER'S NEW FIRST GRADERS TO BE TESTED

All registered incoming first graders for 1973-74 will be given a Metropolitan reading test on May 19th at St. Peter School. If you child is not registered, please call 395-0037.

system with broad and flexible powers to condemn and acquire the transit properties of the private railroads and bus companies."

However, Deuster cautioned the bus operators that the new Chicago Metropolitan Area Transportation System (CMATS) would probably exercise the "business judgment" to place primary emphasis on "contracting for services rather than buying out the existing carriers."

President Roy E. Krupp of the Bi-State Transit System in St. Louis, Missouri, invited Representative Deuster to speak at the 48th Annual meeting of the

The Allendale School for Boys has won the 1973 Helen Cody Baker Award in recognition of an outstanding contribution toward a better understanding of social welfare services in metropolitan Chicago. The award was received by Dean Beguhl, Allendale's Director of Development at a luncheon sponsored by the Welfare Public Relations Forum, Tuesday, May 1, at the Sheridan Blackstone Hotel, in Chicago.

This is the third consecutive year the Forum has honored Allendale. In 1971, the school

received the Honor Award for Best Special Public Relations Project and in 1972, the Honor Award was given for Best Fund Raising Project. This years recognition was in the category of Best Interpretive Work, a brochure called "The Allendale Experience" designed for the schools 75th anniversary. This is the first time Allendale has received the Forum's first place award.

For more information contact: Dean Beguhl, Director of Development, Allendale School for Boys, Lake Villa, Illinois 60046; 356-2351.

BABE RUTH TRYOUTS AND FINAL REGISTRATION

Tryouts and final registration for the Antioch Babe Ruth League will be held on Saturday, May 19, at 10 a.m. at the Antioch High School Field. Approximately 12 openings are still

available for boys 13-15 years old. Registration fee is \$8.00. Boys should bring hat, glove and spikes for tryouts. For further information, call Dick Kessler 395-0222.

CREATION OF NEW, MODERN MASS TRANSIT SYSTEM

Illinois Bus Association in Rockford.

In his remarks, Deuster outlined two key provisions he felt must be included in the final legislative product: "First, each of the six counties in the Chicago region must enjoy at least one voting voice on the policy-making Board of Directors of the new mass transit system."

"Secondly, there should be a balanced blend of financing coming from five sources: 1. the fare-box, 2. the Federal Government, 3. the State of Illinois, 4. a regional gas tax increase, and 5. a contribution from each unit of local

government in the region of 5 percent of the Federal Revenue Sharing monies received by every county, township and municipality."

Deuster explained that the Federal Revenue Sharing Act requires that these funds must be spent for specific "high priority" purposes such as "public transportation."

The Transportation Committee of the Illinois House of Representatives is meeting Tuesday, May 15, at 5:30 p.m. in the Capitol at Springfield to consider a package of mass transit proposals Deuster has introduced to establish and finance the Chicago Metropolitan Area Transportation System, (House Bills 1046, 1047 and 1048).

ANTIOCH ADVENTURERS 4-H NEWS

The Antioch Adventurers 4-H Club, had their last two monthly meetings, March 18 and April 29 at the Antioch Methodist Church. Both times they first went bowling, with their parents, at the Antioch Bowling Alley. At the March meeting, Violet Meuter gave a talk on flower arranging. Kelly Corey demonstrated on table setting and table manners. Bill Dubec showed the correct ways of weight lifting. Slides of last years 4-H Citizenship Trip to Washington were shown by Linda Lagerstrom.

On April 25 the club went on a tour to American Motors in Kenosha, Tysons Sportstore and

Sew-Fro Fabric Store. Everyone enjoyed the day. Share-the-Fun brought the 4-Hers a blue ribbon for their skit "How to judge a book". A blue ribbon was also received by Linda Lagerstrom for Share-the-Fun M.C. She is alternate for State Fair.

At the April meeting they had a very special visitor, Mr. Boardman, Physical Science teacher at Antioch high school. He gave a very interesting talk and demonstration on electricity and its hazards. Susan Meuter talked about indoor gardening. It was decided to enter a booth at the County Fair.

DON PITTMAN MOTORS WILL SPONSOR PONTIAC GRAND PRIX

Don Pittman Motors, 845 Main Street, Antioch, will co-sponsor the Pontiac Grand Prix at Arlington Park June 16 for the third year in a row.

Don Pittman Motors will join the other Chicago area Pontiac dealers to hold the prestige \$100,000 stakes race which attracts horses from the Triple Crown.

The Pontiac Grand Prix has been the top race in the Midwest since it replaced the historic Arlington Classic in 1971. The race, the first \$100,000 stakes event of the year in the Midwest, draws the nation's top 3-year-old thoroughbreds. The Pontiac dealer will offer

free tickets for admission to the race track, providing an opportunity for a "family day" at the track. Last year's Pontiac Grand Prix was a tremendous success, with many families attending that had never seen a horse race before.

This year's race will be the first major competition for 3-year-olds following the Triple Crown—the Kentucky Derby, the Preakness and the Belmont.

Every racing stable owner has been notified of the Grand Prix, and those with horses entered in the Triple Crown will receive special invitations to enter this classic race.

"TORK" TALKS

by: Tork Torkelson
SAFETY IN THE FUTURE
Ford's Safety Research Program

As far back as 1965, Ford Motor Company saw the need for an intensive effort to acquire more knowledge in the area of safety than was available, and consolidated all Company safety research in an Automotive Safety Research Center.

Today, in a newly organized Automotive Safety Center, engineers, scientists and technicians assemble safety-related technical information which may affect the design of cars and trucks. They relay all appropriate data to the various Ford Motor Company organizations responsible for vehicle design.

Proving-ground crash tests have been under way at Ford since the early 1950's and include head-on crashes into concrete barriers and other cars, front-to-rear and front-to-side two-car crashes and roll-over tests.

SEQUOIT HAPPENINGS

BITS AND PIECES

By: Taffy Engelhardt

As school's close comes nearer and nearer, more and more plans are being made for the summer and for next year. Cheerleading tryouts for the varsity football team are Thursday. Mrs. Wapon is in charge. The judges this year will be entirely out of our school, for a more fair judging. There will be cheerleading sponsors, teachers, etc. from surrounding schools coming in; a change for the better. Self Imposed Scheduling Committees have been meeting quite frequently for planning next year's classes.

Since there will be a yearbook next year, the staff has begun plans already. There are a lot of disappointed classmen at this time, who regret not getting a yearbook this year. Now, there's something to look forward to.

Mr. Brooke has announced the Annual Awards Night, which will be held by the Fine Arts Department on Wednesday May 16. The Wind Ensemble and A-Capella Choir will perform before the Awards are given. Mr. Brooke has done a fantastic job this year. He's had an extra heavy load, since he had to direct both the band and the choir. His hard work is deeply appreciated by the entire Fine Arts Department.

Summer jobs are quite scarce, so everyone is trying to get an early start. Seniors are seeking good full-time employment and finalizing their college plans. Their last day of school is May 30th, unless they must return to make up work or take final exams. The freshmen, sophomores and juniors still have another week by themselves.

The newly elected class officers, Council officers and representatives are getting ready to take over their new positions. Student Council is making their plans for summer meetings concerning work to be done for next year.

There aren't many days of school left before vacations, sunbathing, and skiing, but it's going to be a hectic ending. There's a lot of hard work and planning to be done to make next year an active one for everyone.

DENNIS KREUSCHER AWARDED BACHELOR OF SCIENCE DEGREE

Among those receiving degrees from the University of Wisconsin River Falls is Dennis Kreuscher, son of Mr. and Mrs. Warren Kreuscher, Route 2, Antioch, who will be awarded the Bachelor of Science degree in agriculture with a major in animal science.

Commencement exercises

CREATIVE ARTICLE

Antioch High School students are starting a series of teach-learn groups called mini-courses. These were designed to let students share their hobbies, interests, etc., with anyone who wants to learn about them.

The students were polled and

from this it was determined there would be mini-courses on bowling, speed-reading, car repairs, and charm. These do not constitute any academic credit. They are not going to be supervised by teachers. They will be there merely for anyone who wishes to stay after school to learn about something new or to use his knowledge and experience to teach others.

SUMMER DRIVER EDUCATION FOR ANTIOCH HIGH SCHOOL DISTRICT YOUNG PEOPLE

Antioch Community High School residents between the ages of 16 and 21 are eligible for the Summer Drive Education Program. The complete course is being offered during the regular summer program starting on Wednesday, June 20th and completing on Friday, August 3rd. Students going to camp or on vacations during this time should not enroll.

The Driver Education Course offered at the high school is an integrated 3 phase program. The student receives 32 hours of classroom instruction, 12 hours of simulation laboratory in a simulated car, and 3½ hours of on-the-street instruction in a car

furnished by our local dealers.

Our on-the-street instruction is completed on our local streets, county and state highways, and the nearby expressways. The cars in the program are furnished by Lyons-Ryan-Ford, John Teresi Chev-Olds, Don Pittman Pontiac, and Earl Stringer Motors.

Summer enrollment will be closing May 23rd in order to complete the many forms and tests needed. If you are interested, report to the high school for the necessary forms, books and tests.

Call Mr. Lear at 395-1421 for an appointment and further information. The only cost to 16-21 residents will be the cost of instructional materials.

BRUCE VOLLING & KAREN KOMIVES RECEIVE DEGREE FROM CENTRAL MISSOURI STATE U

On Sunday, May 20, in the 99th commencement exercises of Central Missouri State University, Bruce A. Volling of 543 Lake Street, Antioch will receive his bachelor of Science degree. Karen Lynn Komives of 508 Hampshire Lane, Lake Villa will also receive her Bachelor of Science degree.

Commencement exercises will begin at 7:30 p.m. in Vernon

Kennedy Stadium with Dr. Allan W. Ostar, executive director of the Association of American State Colleges and Universities, delivering the main address. There will be a Commencement Band Concert beginning at 6:45 in the Stadium by the University Concert Band under the direction of Dr. Russell Coleman.

CHERYL RECKERS TO STUDY IN FRANCE

Cheryl L. Reckers, daughter of Mr. and Mrs. Preston J. Reckers, 466 First Street, Antioch, is one of three North Central College students who will study in France this summer.

Miss Reckers will leave June 24, 1973 with approximately 55 students from other American colleges and universities and study for two months at the University of Grenoble. Travel

excursions throughout Europe are planned for the students' weekends. The group will return August 19.

The program is sponsored by Illinois State University and designed for students of French desiring to increase their knowledge of the language and of French culture.

Miss Reckers, a 1970 graduate of Antioch high school, is a junior at North Central College majoring in French.

RICK NELSON PREPARES FOR WORLD COLLEGIATE GAMES

Western Illinois wrestlers have been preparing for the World Collegiate Games which

will be held in Moscow, August 15-25.

They include Jim Woods, All American, National / NCAA college division champion Jim Kulpa (Oak Forest-Tinley Park) 177 pounds, Rich Nelson (Antioch) 167 pounds, and Joe DePaulo (Midlothian-Tinley Park) 158 pounds.

Challenge matches for the University Games will be held at Glenbard High School (Chicago) on June 9th.

"I'm pleased we now possess the type of wrestler who is capable of entering World competition...it is an honor for our student body and the entire community," says Western's head wrestling coach, Bob McMahon.

HOMETOWN NEWS

AREA STUDENTS RECEIVE DEGREES FROM NIU

A total of 1,454 Northern Illinois University students completed degree requirements in January at the end of the 1972-73 academic year's first semester.

The 1,032 undergraduate and 422 graduate degrees earned will be conferred officially on

June 2 at Northern's 74th annual commencement. Northern does not hold mid-year commencement ceremonies. Those receiving degrees from our area are: Marcia Emily Kulp of Antioch received a Graduate Degree in Master of Music and Frederick E. Johnson of Lake Villa received a Bachelor's Degree.

COMMENCEMENT AT VALPARAISO UNIVERSITY SUNDAY MAY 20

receiving degrees.

Both boys will be awarded a Bachelor of Science degree in Civil Engineering.

After graduation Bill will go to work for the Universal Oil Products Corporation in Des Plaines and Jim will begin working at the O'Bryan Construction Company in Chicago.

WENDY P. JENSEN

Wendy P. Jensen, daughter of Mr. and Mrs. Robert Jensen, 477 First Street, Antioch, has been selected to serve a second year as resident assistant in Rall Hall, a women's dormitory on the North Central College campus in Naperville, Illinois, for the 1973-74 academic year.

Duties of a resident assistant are to serve as liaison with other college staff, help answer

questions of residents, serve as advisors in dorm matters and offer guidance to those who request it. They are selected because of their interest, maturity, responsibility and good judgement.

A 1970 graduate of Antioch Community High School, Miss Jensen is a junior majoring in physical education at the coeducational, liberal arts college.

PURCHASE - OR - RENT YOUR NEXT CAR OR TRUCK FOR CONSULTATION CALL

John F. Weiss Lease Manager
"EXCELLENCE IN YOUR AUTOMOTIVE NEEDS IS MY TRADE-
YOUR SATISFACTION IS MY GOAL"

(Week of May 18-24)

ARIES (March 21-April 20): Romantic trend is favorable. Friends could be the key to a wider social circle. If someone you know asks for help, say yes. Take care while travelling. Best days: Saturday, Tuesday.

TAURUS (April 21-May 20): Concentrate on matters involving the home. A favorable time for important changes in your life, perhaps through a new job offer or other business opportunity. Best days: Saturday, Wednesday.

GEMINI (May 21 - June 21): An excellent cycle for those born under this sign. Business, personal affairs should go smoothly. A long held desire could be nearer to reality than you think. Best days: Tuesday, Wednesday.

CANCER (June 22 - July 21): Do not permit minor irritations to cause you to lose your temper. Weekend favorable for personal pursuits. A good time for shopping, entertaining. Social cycle is high. Best days: Monday, Tuesday.

LEO (July 22-Aug. 22): Worry over problems of others could upset you. Keep your own counsel. Your energy and efforts in community affairs could bring new prestige and recognition. Best days: Tuesday-Thursday.

VIRGO (Aug. 23-Sept. 22): A quiet cycle stressing routine. Weekend favored for home and outdoor recreation. Career aspects are more favorable middle part of the week. You can make progress on the job through concentrated effort. Best days: Friday, Wednesday.

LIBRA (Sept. 23-Oct. 22): An active period socially and every other way for those born under this sign. Do not overdo social activities and be sure to schedule enough time for rest. Creative aspects on the rise. Superiors may be impressed by your ideas. Best days: Sunday, Wednesday.

SCORPIO (Oct. 23 - Nov. 22): Favorable cycle for financial improvement. Those born under your sign often possess rare insight and intuition in matters of business. Social contacts favored mid-part of week, perhaps through community or religious functions. Best days: Tuesday, Thursday.

SAGITTARIUS (Nov. 23 - Dec. 21): Weekend favorable for short trips, visits with relatives. You need a break from routine. Financial cycle is favorable, but don't neglect budget. A creative project could bring pleasure and profit. Best days: Monday, Thursday.

CAPRICORN (Dec. 22 - Jan. 20): Moon in your cycle stimulates restlessness, desire for achievement. Be patient and you'll make progress toward a goal you seek. A favorable time for shopping, gardening and home repair. Best days: Sunday, Wednesday.

AQUARIUS (Jan. 21 - Feb. 18): You may be called on to make a difficult choice involving your future. Think carefully before making a decision. Friends from a distance could have favorable influence. Best days: Wednesday, Thursday.

PISCES (Feb. 19 - March 20): Romantic aspects are high during this period. A surprise turn of events in personal life could bring you happiness. Be extra careful with grooming so you'll make a good impression. Best days: Monday, Tuesday.

Obituaries

MR. HENRY WESTWOOD - 84 years old of California Ice Subdivision near Antioch, Illinois passed away on Thursday May 10 at Victory Memorial Hospital after a long illness. He was born March 26, 1889 in Birmingham, England and came to the United States in 1925, to reside in Chicago, then moved to Lake Villa 21 years ago, and has lived in Antioch for the past 8 years. He is a member of St. Andrews Episcopal Church at Grayslake. He had been employed as a stock clerk with Commonwealth Edison Company for many years and retired 21 years ago. He married Edith Morley on August 15, 1915 in Birmingham, England. His wife Edith passed away December 28, 1964 and 1 brother George Westwood on August 13, 1972. Survivors are 1 daughter Mrs. Phyllis (Rocco) Marotta (Antioch) 3 grandchildren and 1 great grandchild.

Funeral services were held on Saturday at 11:00 a.m. in the St. Andrews Episcopal Church in Grayslake. Rev. Father Robert Lock of that church officiated. Interment was in Avon Centre Cemetery at Grayslake.

MRS. ELSIE S. HAZEN 74 years old of Grass Lake Road near Antioch, Illinois passed away on Sunday, May 13 at St. Therese Hospital in Waukegan. She was born September 24, 1898 in Chicago and moved to Antioch in 1924. She attended Faith Evangelical Lutheran Church in Antioch. She married Stanton M. Hazen on Oct. 5, 1942 at Richmond, Virginia. Survivors are her husband Stanton M. "Bud" Hazen (Antioch) 2 sisters Mrs. Ida Strobel (Chicago) and Mrs. Theresa Rein (Fox River Grove, Illinois) and several nieces and nephews.

Visitation was held in Antioch on Tuesday at the Strang Funeral Home in Antioch. Funeral services were conducted from the Matz Funeral Home in Chicago on Thursday at 1:00 p.m. Interment was in Elmwood Cemetery at Elmhurst.

Christian Science

Jesus proved the nothingness of a sickness when he healed the man who was blind, as recorded in St. John 9. The understanding of man's perfection will be brought out this Sunday at Churches of Christ, Scientist in the Bible Lesson-Sermon on "Mortals and Immortals".

From Science and Health with Key to the Scriptures by Mary Baker Eddy this citation will be read: "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick."

Services at First Church of Christ, Scientist, BEACON HILL, Route 173 and Harden, Antioch, Illinois begin at 1a.m. They are conducted by Mrs. Barbara Conzelman, First Reader, and Mrs. Lorraine Wirt, Second Reader.

CARMEL HIGH SCHOOL FOR BOYS COMMENCEMENT EXERCISES MAY 26

Carmel High School for Boys will hold its eighth Commencement exercise on Saturday, May 26, 1973. One Hundred Forty-two Seniors will graduate. The program, jointly with the graduation of Carmel High School for Girls, will take place at the school in Mundelein at 10:00 a.m.

The graduation address will be given by Reverend Simon Kenny, O. Carm., Assistant Principal. Rt. Rev. Msgr. Harry C. Koenig of St. Joseph's Parish in Libertyville will be part of the ceremony, bringing the greetings of Cardinal Cody to the graduates and their parents.

Special recognition will be given Kenneth M. Mihalka, son of Mr. and Mrs. John G. Mihalka, 623 N. Ridgemoor, Mundelein, and Eric J. Slora,

son of Mrs. June Slora, 636 E. High Street, Mundelein, for the highest averages over four years of high school. Other scholarships and honors will be announced at the Awards Day Program held on May 18 at the school.

Area students graduating from Carmel are: Antioch: Timothy J. Garwood; Raymond J. Nowak; Robert A. Palenik; Howard J. Warsing. Lake Villa: Richard C. Dvorak; Joseph C. Heilgeist; Anthony M. Seisser; Joseph A. Tischler. Lindenhurst: Kevin J. Breest; Terrence J. Mertes.

THANK YOU

Thank you friends and neighbors also Rev. Messersmith and Father Johnson for your prayers, cards, and get well wishes while I was in the hospital.

LEGAL

COUNTY ZONING NOTICE STATE OF ILLINOIS COUNTY OF LAKE TO WHOM IT MAY CONCERN

"Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

Our world today kind of fosters the attitude to be tough, hard, to be cool and aloof. Don't let anyone else in, don't risk opening yourself. Don't let anyone know who you really are.

Two people about to be married do not listen and they discover love.

At the time of their marriage I am sure that they might think that their love has reached its highest peak—but at that time it has only just begun. Their love will be tested and tried, pulled and tugged and stepped on in every imaginable and unimaginable way.

And each time it is tried it will grow and intensify to heights that they cannot at the time imagine.

They will learn that no one loves them as much as they love each other. The experiences of life will teach them that love must be continuous and contiguous—on going without a break. That this is accomplished in their everyday life through the signs of love—the affection they show for each other daily in word and deed—in a simple "I love you" or gift of flowers, in merely holding hands or a box of candy. In just being near each other, sitting in the silence of their own home or standing near each other at a noisy party.

Love does not take each other for granted or come to use one another. We use things but we love people. When the reverse happens only disaster can follow.

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch Township, Lake County, Illinois, that a public hearing will be held on June 1, 1973 at 1:30 p.m. in the Village Hall, Antioch, Illinois relative to a proposal to vary the terms of the Lake County Zoning Ordinance or to reclassify by amendment thereto, the said premises be granted a variation from the required 80,000 sq. ft. lot size to the present lot size 60,000 sq. ft. the following described real estate, to wit:

Located on East side of Linden Lane, approximately 600 feet from Route 173, another highway

Described as follows: Lots 11 and 14, except the south 10' of Lot 14 in Thomas Jefferson Smith's subdivision being a part of the SE ¼ of the NW ¼ in Section 12, T46N, R9E, of the 3rd P.M.

As a result of the petition of JEAN M. MORRIS & LESLIE A. MORRIS, JR., as joint tenants which petition is on file and available for examination in the office of the Lake County Zoning Board of Appeals, County Building Administration Building, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS
ELZA GWALTNEY
Chairman

Dated at Waukegan, Illinois, this 16 day of May, 1973

SEE A LIVING MIRACLE

At Santa's Village in the POLAR DOME, Dundee, Illinois, Routes 72 and 25, Friday, May 25, 7:30 p.m. FREE ADMISSION!

David Pelletier, Jr., the ten year old North Carolina boy whose "miracle" of regained sight after complete removal of his left eye by surgery, has attracted WORLDWIDE interest.

David's eye was damaged in a July 4th firecracker mishap in 1968, and his left eye was removed in August of that year. After three years without sight in the eye, the youth told his parents the night of July 6th, 1971, he could "see" with his left eye socket again.

Dave Pelletier, Sr., a former radio announcer on W.M.B.I., said he is devoting his full efforts to spreading the story of

his son's "miracle" as evidence that "Jesus Christ lives today and is working 'miracles'". Pelletier's son was given a test from the Psychical Research Foundation of Druham to determine if he has extrasensory perception (ESP). The tests confirmed that it found David's Eye-less vision "something other than ESP."

This presentation in no way smacks of trickery or magic—but it does speak so well of God's wonderful power and grace.

Dave Pelletier and his son will appear Saturday, May 26th, 7:30 p.m. Hawthorn Baptist Church, South Old Road, Lake Zurich. He will be at the Gospel Ranch Tabernacle on Fairfield Road, 2 blocks north of Grand Avenue, in Lake Villa on Sunday, May 27, 10:30 a.m.

Bruce Dalgaard was presented with an engraved mug after completing 25 years as Secretary of the Thursday Nite Businessmens League from Marty Padjen one of the proprietors of the Antioch Bowl.

BRUCE DALGAARD COMPLETES 25 YEARS AS SECRETARY OF THURSDAY NITE BUSINESS MENS LEAGUE

A milestone was recently reached at Antioch Bowling Lanes. Bruce Dalgaard, pictured here with Marty Padjen, one of the proprietors of Antioch Bowl, completed twenty-five years as secretary of the Thursday Nite Business Mens League. Bruce started as secretary in 1947 when Antioch Bowl was still located on Main Street in downtown Antioch. When the lanes were moved to its present location on Route 173 the league and Bruce moved with it. All together he has a

total of thirty years in the same league.

Bruce is married and is the father of two boys, one of which is attending the University of Illinois earning his Masters Degree. He lives at 627 Main Street and has lived in Antioch most of his life. He is employed by Commonwealth Edison Company as Special Sales Representative, Technical Division and has been with the company for 36 years. He joined Commonwealth Edison after being honorably discharged from the

Army where he served during the World War II in the Pacific Theatre.

In asking Bruce what he is going to do now, he said "I've bowled long enough and have been secretary long enough. I think I'll just retire from the game."

Both Marty Padjen and Joe Sterbenz of Antioch Bowling Lanes wish Bruce a lot of luck along with their congratulations on an excellent job of secretary and hope he will come back and continue at least to bowl.

To save money on Long Distance, here are 3 things to remember.

1. Dial direct.

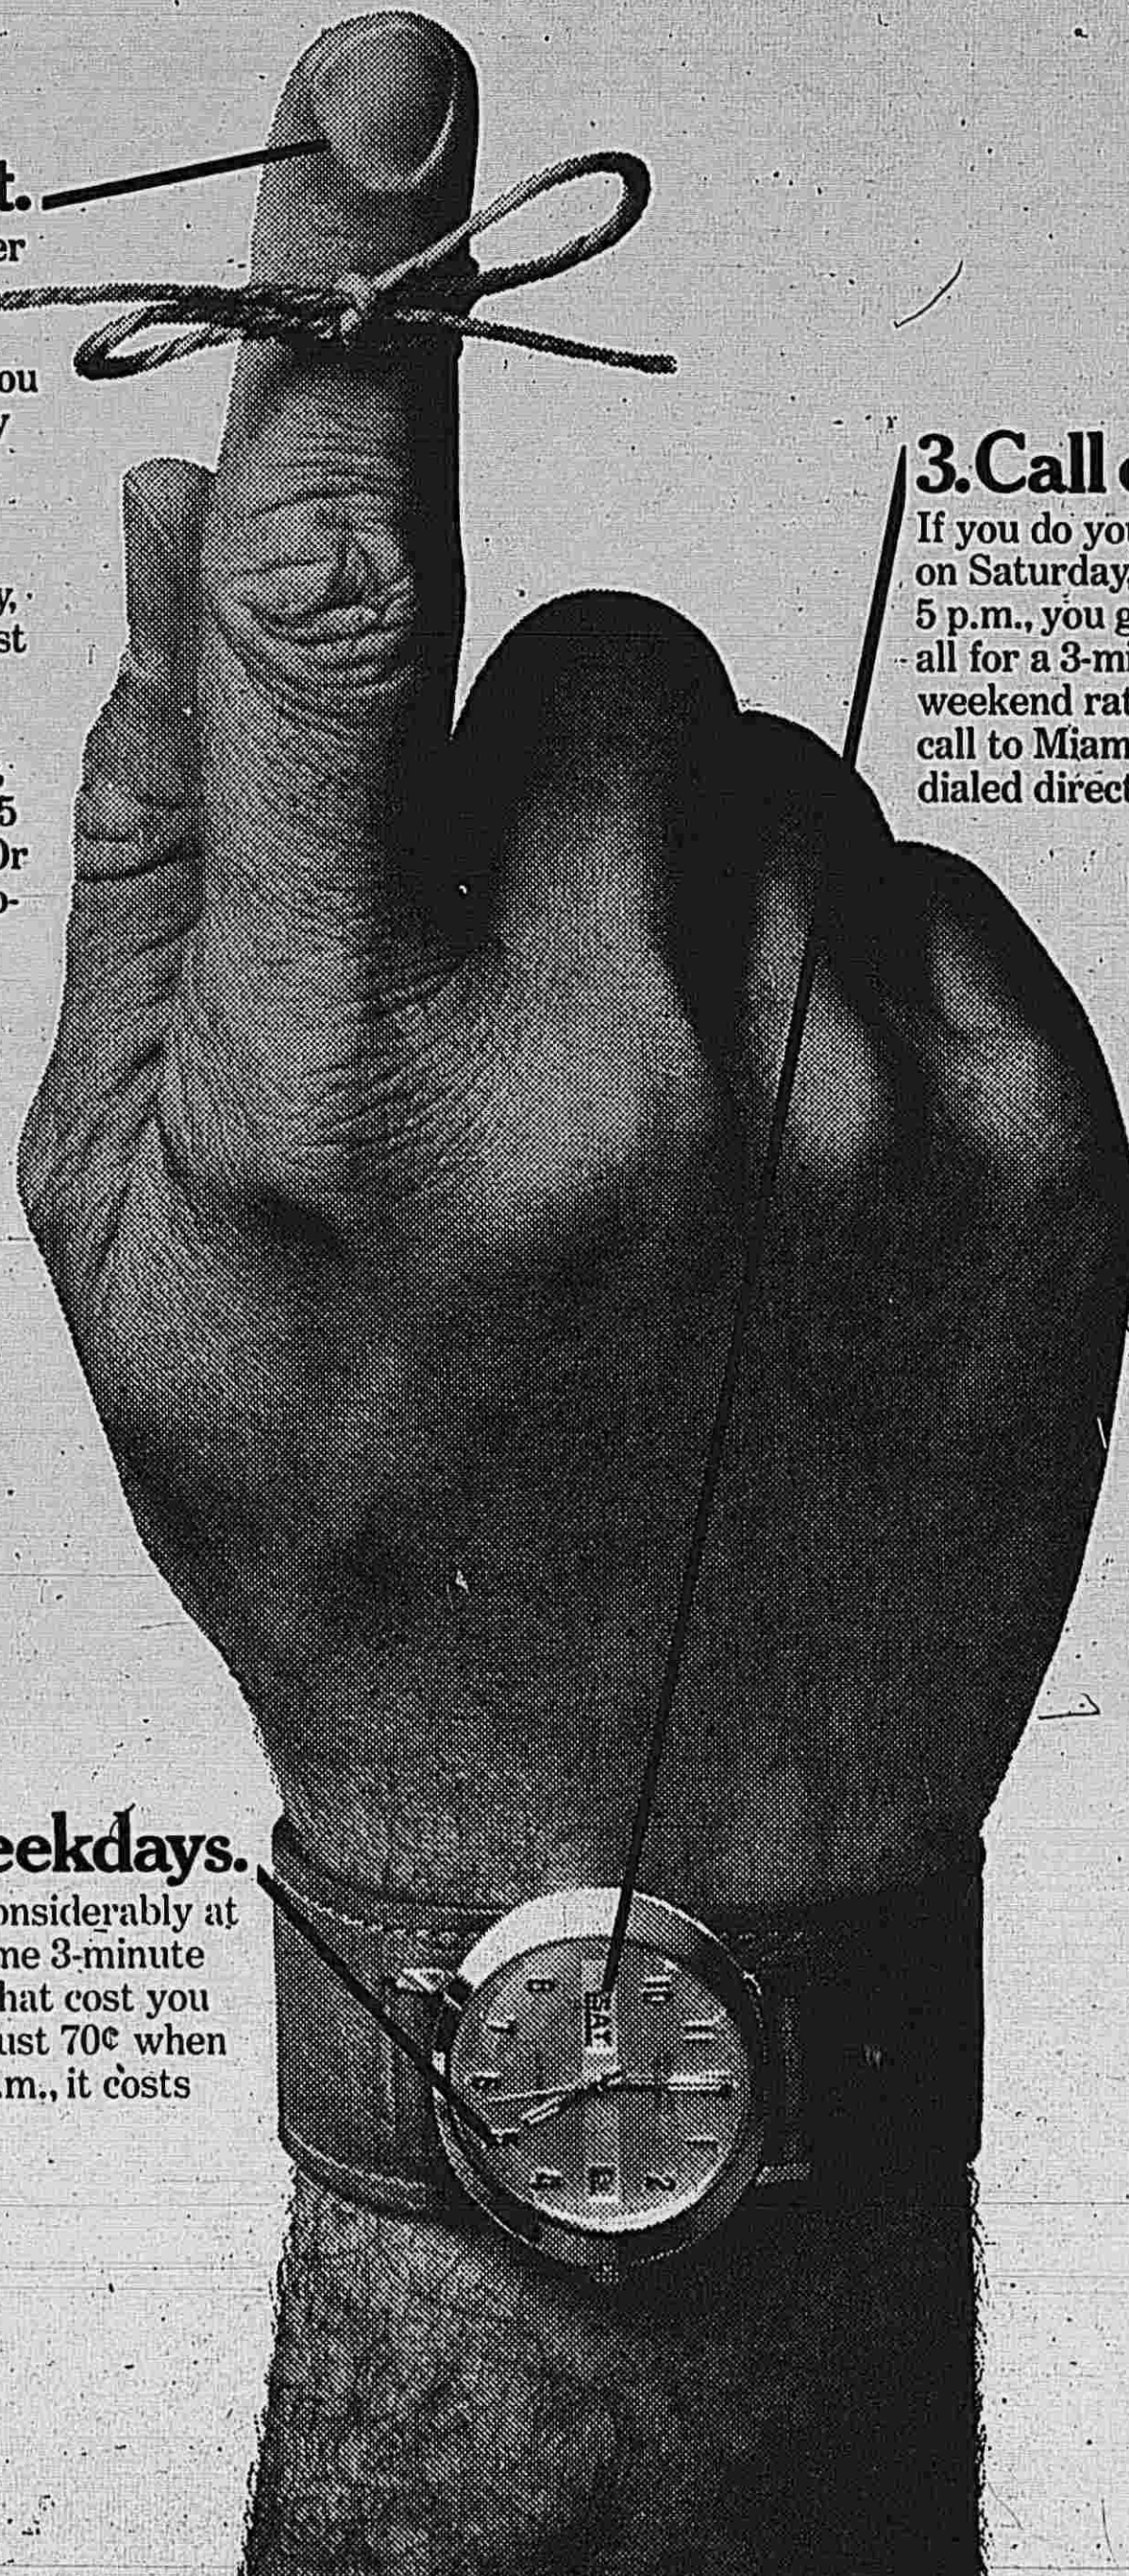

By dialing the number yourself, instead of calling the Long Distance Operator, you can save significantly on station-to-station Long Distance calls. A 3-minute call to Miami during the day, for example, costs just \$1.25 when dialed direct. If placed through an Operator, it could cost you \$1.55 (station-to-station). Or even \$2.65 (person-to-person).

3. Call on weekends.

If you do your Long Distance dialing on Saturday, or Sunday up until 5 p.m., you get the lowest rate of all for a 3-minute call. Under the weekend rate, a station-to-station call to Miami costs just 65¢ when dialed direct.

2. Call after 5 weekdays.

Long Distance rates drop considerably at 5 p.m. on weekdays. The same 3-minute direct-dialed call to Miami that cost you \$1.25 during the day costs just 70¢ when placed after five. After 11 p.m., it costs even less.

It's surprising how much you can save on Long Distance if you just know the ropes. So we've put together a folder you'll want to keep right next to your phone. Included are a Long Distance rate chart, area code map, tips on how to avoid wrong number charges, bad connections, dialing difficulties, much, much more. To get a copy, just fill out the coupon and send it to:

Long Distance Folder
Illinois Bell, P.O. Box 4848
Chicago, Illinois 60680

Your Name _____

State _____

Zip _____

Illinois Bell

We're a lot more than just talk.

Taxes not included. Dial-direct discounts do not apply to calls to Alaska and Hawaii or to Operator-assisted calls such as coin, credit card, collect, person-to-person, hotel-guest calls, or calls charged to another number. In areas where direct-dialing facilities are not available, discounts do apply to Operator-assisted station-to-station calls that elsewhere could be dialed direct.

DUKAS WINS LATE MODEL SPORTSMAN FEATURE

George Dukas of Zion won the wild-and-wooly late model 'sportsman' feature race Saturday night at the Waukegan Speedway. The 25-lap event was stopped six times by red flags for multi-car pile-ups and a fire. There were no injuries.

Both Dukas and Crystal Lake's Bill McDonald broke the track record of :15.62, set by J. P. Gatti, Jr., of Wheeling last season, for one-lap during time trials with McDonald claiming the new mark at a sizzling :15.34.

Abel Avila of Wauconda led the first eight laps of the feature with Ted Richter of Libertyville holding the lead for two more and Gatti was in first when the first of two red flags fell on the 12th lap.

McDonald got the jump on Gatti at the restart and led through the 15th lap with Dukas grabbing first spot at the start-finish line on the 16th lap. Gatti was tight behind but he and McDonald tangled on the 19th circuit with both having the restart in the rear of the field.

Chuck Clark of Wauconda moved up to challenge Dukas in the final five laps, but George

kept his 1969 Mercury Cyclone in front for his second feature win of the year. He won 19 mains and the championship last season.

The first nine finishers were all on the same lap with Richter in third spot followed by McDonald, Gatti, Avila and Dennis Topcik of Waukegan. Al Gutche of Kenosha, in his first start of this season, was running in third position in the 22nd lap when his Mustang erupted in flames after blowing the engine.

Rich Soberg of Crystal Lake won the consolation race with George Garrett of Zion second after three cars collided in the final lap.

McDonald was trying for a clean-sweep in Saturday's races, but had to settle for second to Clark in the six-lap dash, before winning the fast heat race. Dave Huber of Northbrook and Roger Hacke of Waukegan won the other heat races.

The Waukegan Speedway will see three nights of racing over the Memorial Day weekend with events slated Friday, Saturday, and Sunday nights. The first race starts at 8:00 p.m.

SUNDAY BRINGS LOU CLAVEY A WIN

Deerfield's Lou Clavey won his first career feature Sunday night at the Waukegan Speedway as the late model 'super stock' class returned to the track for the first time since July 2, 1972. Clavey took the win after leaders Dave Evans of Crystal Lake and Lee Schuler of Lockport crashed on the 19th lap.

Clavey, who has been building race cars since the early 50's, took the lead from Evans on the 20th lap and then held off Jerry Vance of Chicago to win the 30-lap race.

J. P. Gatti, Jr., of Wheeling also was a benefactor of the faster cars' rough luck as he guided his 1969 Camaro 'sportsman' home for third place money in front of Marv Palmer of Hoffman Estates and Joe Horn of Lake Bluff.

A sparse crowd braved the bitter cold weather to witness the return of the 'super stocks'. Rich Kleich of Chicago turned in a :14.36 lap in time trials, just .09 off the record, for fast time.

Following a pile-up involving all six cars in the trophy dash, Kleich took the win and he was pointed towards a win in the fast heat when he and Evans tangled on the backstretch with Kleich hitting the concrete wall hard. He could not start the feature.

The feature race had four leaders as Palmer led for one lap before Evans, driving with a cast on his foot, took command.

Schuler was second by the third lap and he and Evans waged tremendous battle for the lead with Clavey way back in third place.

Then in the 18th lap Evans and Schuler tangled on the pit turn with Schuler gaining the lead...before crashing into the wall with steering problems. Evans was back in front of the restart.

Over the Memorial Day weekend there will be three nights of action at the Waukegan track with late model 'sportsman' slated both Friday and Saturday nights and the 'super stocks' racing on Sunday night. Racing starts at 8 p.m.

Next Sunday a powder puff derby will be run as this week's event had to be postponed one week. Gates open at 6 p.m.

George Dukas of Zion (No. 64) and Joe Horn of Lake Bluff (4) vie for position at the Waukegan speedway. Dukas ultimately won the race.

OTTO & STRAUBE WIN AGAIN IN LAKE GENEVA

Roger Otto, Burlington, made it four straight feature wins and remained undefeated in main events at the Lake Geneva Raceway in super-modified competition Saturday night while Jerry Straube, Waterford took his third win in the Sportsman feature race.

Roger Otto also set fast time in the super modifieds recording a 17.09 lap but in the Sportsman division it was Paul Craddock, Round Lake setting the quick time laps with a circuit of 18.93 seconds. However, in the feature racing, Craddock moved up as far as fifth but then spun and finished eighth.

Otto moved by Aaron Solsrud, Menomonee Falls on the 21st lap of the 25 lap feature to win going away at the Checkered flag but Solsrud barely stayed ahead of Whitey Harris, Lake Villa at the end. Then it was Johnny Reimer, Caladonia;

John Garner, Muskego; Jim Moulis, Antioch; Denny McKay, Carpentersville; Jim Bozeman, Waukegan; Dave Bliss Algonquin and Jim Cameron, Kenosha.

Larry Ninneman, Milwaukee won the 12 lap semi-feature and heat race winners were Vern Nevorski, Kenosha; Johnny Olson, Round Lake; and Ron Bergsma, Richmond, Bergsma's win came after Johnny Reimer had led all of the laps in the heat and then blew an oil filter causing him to spin just after getting the white flag, last lap signal.

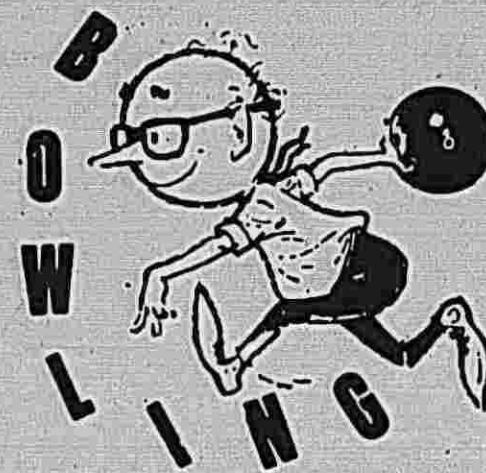

The Sportsman heats were won by Dick Niefeldt, Delevan; Sid Norton, McHenry and George Weyrauch, Lake Geneva. Fred Oswald, Lake Mills won the semi-feature ahead of Sid Norton and Baran Balas, Janesville.

The win by Straube in the feature came after a long drive

from nearly the back of the 18 car field. He battled several laps before being able to move around Bob Peterson, Lake Geneva and then Dale Brandenburg, Janesville. Before the checkered flag fell, Peterson took second from Brandenburg.

The Jr. Sportsman feature was won by Fran Prestay, Silver Lake and Tom Hack, Burlington, won the P.J. Stock heat and feature.

The four class, four feature racing continues this Saturday night at the Lake Geneva Raceway.

ANTIOCH BOWLING LANES CONDUCTED TOURNAMENT

Antioch Bowling Lanes recently conducted a tournament open to all bowlers from the house; both men and women, to determine a singles champion.

The tournament started with 128 men and 64 women and through a series of head to head matches the bowlers were eliminated until one man and one woman were left who were named this year's House Singles Champions. Tina Nehlsen emerged from the ladies ranks victorious and Roger Hallwas was crowned the men's champ. Both bowlers are from Antioch and are planning on defending their crown next year.

Roger Hallwas, men's house singles champion receives a desk set from Joe Sterbenz, proprietor of the Antioch Bowling Lanes.

Tina Nelson, ladies house singles champion for the 1972-73 season receives a serving platter from Joe Sterbenz, proprietor of the Antioch Bowling Lanes.

ANTIOCH 5 LAKE FOREST 4

On May 1, Antioch won it's fourth game in a row by beating Lake Forest in a come-from-behind effort, 5-4.

Lake Forest scored in the second inning on a fielder's choice to put the batter on first, a single put him on third and a fly ball scored him. In the third inning, a single, errors by the right fielder and by first baseman scored him to make the score 2-0.

For four innings, the Sequoits could get nothing started. They had one hit and flew out eight times, four of these fly balls to the left fielder. But they got things rolling in the fifth inning. Shayne Schroeder and Glen Amundsen led off the inning with walks. Rick Sedar followed with a bunt that was muffed by the pitcher allowing him to reach first and to load the bases. Tim Mieure scored Schroeder on a sacrifice fly to left field. Steve Vazquez singled in Ed Weitz, pinch running for Amundsen, and Mark Maras singled home Sedar.

Lake Forest took the lead again in the sixth inning scoring 2 runs on a single with the bases loaded.

The Sequoits came from behind again in the seventh inning. Tim Mieure led off the inning with a walk, followed by a single by Fred Popp and a walk to Vazquez. Mark Maras was then hit by a pitched ball to force in the tying run and Shayne Schroeder walked on 4 pitches to bring in the winning run.

Mark Maras spoke about his being hit by the pitched ball. "I saw the ball coming but I held my ground just in case it was a curve. I really wanted to hit

instead of getting hit."

Shayne Schroeder's walk to force in Fred Popp, the winning run, was brought about in a very strange manner. With a 2-0 and a 3-0 count, Schroeder twirled the bat in front of the plate, like a majorette twirls a baton, then snapped it back over his shoulder before the ball crossed the plate. He said, "I never saw this pitcher before so I wanted to take the first pitch he threw. The second pitch I wanted to hit but it wasn't over. The third pitch I saw Fred (Popp) coming down the third base line, so I pretended I was going to bunt to see if I was going to get a 3-0 count. The fourth pitch, since it was a 3-0 count, I was definitely looking for a walk, so I just shook the bat to scare the pitcher.

Antioch played a very competitive game, both defensively and offensively.

The pitcher, Glen Amundsen, said, "My fast ball wasn't moving this game; it was my curve that was my best pitch. It was a good defensive effort on the part of the other eight players.

sequoits down grant 2-0

On May 9, the Sequoits handed Grant their first loss, 2-0.

Antioch scored their first run in the third inning after two were out. Tim Mieure doubled to right field and scored on a bloop single by Fred Popp. In the sixth inning, Tim Mieure walked and went to second, third and home on three wild pitches. Mieure said after the game, "I was never happier to see a wild pitch than when I was on third base."

Grant gave the Sequoits a scare in the seventh inning. With one out, Popp hit his third and final man with a pitched ball. A tap to Popp got the batter out at first but advanced the runner to second. An infield hit followed, putting men on first and third, but Popp struck out the next batter to end the game.

Two of the four hits for Antioch came from Mark Maras. He explained: Gooslin is a good pitcher, so I knew I couldn't fall behind him; so I swung at the first good pitch. The first hit I got was on a fastball on the inside corner, the second one was on an outside fastball. Altogether, Gooslin

seemed a little less effective this time than before."

Fred Popp pitched a good game, allowing only two hits. He commented, "My arm felt great, it was in the best shape of all year. I was psychologically up for this game because I felt that we had a bad shake the first time we played them. The team played great ball, defensively and offensively, behind me."

LITTLE LEAGUE SEASON

OPENS MAY 20

PLAY BALL! This familiar call will be heard this Sunday, May 20, 1973 at 1 p.m. when the season for Little League officially opens.

The opening ceremony will begin with Boy Scouts from Troop 92 presenting the colors.

Our honorable Mayor, Robert C. Wilton will be on hand to say a few words and toss in the first ball.

There will be a double header. The first game will be the Cubs vs the Dodgers. The second game the Yankees will take on the Cardinals.

Come on out and cheer the boys on. Lets hope it doesn't rain.

SOPH DIAMOND MEN DOWN LAKE ZURICH AND LAKE FOREST

The Antioch Sophomore Baseball team continued their winning ways with two victories this week. The first, a 5-4 win over Lake Zurich. The action started in the second inning with a triple by Lapecek of Lake Zurich but he did not score due to being caught off base after a fly ball was caught by catcher, Scott Vasquez. In the same inning Larry Smith hit a triple and scored after Scott Vazquez singled and then was picked off. The third inning started out great for Antioch with a single by Frank Pleviak and a walk by Mike Perrone in which both were driven in, Frank by a wild pitch and Mike by a single by Scott Vasquez. George Pierce singled in the fifth, was advanced to third by Mike Witt's single and George scored on an error by the second baseman not catching the ball thrown to him by the catcher while Mike was stealing second. Lake Zurich rallied during the 6th inning with 4 runs due to 3 consecutive walks followed by 3 singles. Antioch's winning run was scored in the 7th inning by Frank Pleviak, who singled then stole second, and then was brought in by Russ Albano's single.

Lake Forest

The second win was against Lake Forest - 7-2. In the second inning Jerry Popp and Ron Jackson scored our first two

The Antioch News SPORTS

Sequoits trounce Lake Zurich 9-4

On May 10, Antioch defeated Lake Zurich 9-4.

Antioch scored in the first inning on a triple by Tim Mieure and a home run, the team's first of the year, by Fred Popp to make the score 2-0. In the fifth inning, Mike Gutowski walked and went to second on an error by the pitcher. Tim Mieure hit another triple to score Gutowski. Fred Popp singled Mieure home, and scored on an error by the second baseman. Andy

Proctor, who got on base on a fielder's choice, scored on an error by the shortstop.

In the sixth inning, Judd Smith singled, stole second, and scored on a double by Rick Sedar. Tim Mieure then walked and after a passed ball to put Sedar on third, stole second base. Fred Popp followed with a deep sacrifice fly ball to center to score both Sedar and Mieure.

Mike Gutowski pitched an excellent game until the sixth inning, when he gave up two singles and two doubles to score four runs.

Glen Amundsen came in with two outs to put out the fire and finish the game to ear his second save.

Gutowski remarked after the game, "My screw ball worked well until the sixth when it stopped curving, then they started to hit it."

With a Stern Eye

I studied practical politics at the knee of an expert and much of what I learned back in 1967

remains useful. When Frank Peers, Deerfield Township Supervisor, picked me to run on his slate as an Assistant Supervisor six years ago, I didn't even know what a County Board was all about. But I learned. And he was a splendid teacher.

All this comes to mind this week, not because Frank is shuffling off to his reward—on the contrary: he is 50 pounds slimmer and vigorously pursuing his duties as President of the Forest Preserve. I have been thinking about it because one of the stout girders of his political philosophy was that more officials should be appointed and a lot fewer elected. 'The short ballot' is the name of that view. And it is exactly that philosophy that the Priorities Committee of the

'new' (elected in 1971) County Board has been examining.

"We don't elect our Police Chief," Frank would say reasonably, "so why should the county elect its Sheriff. We hire the best man for the job, according to his qualifications." An I would nod because Frank was always rational and persuasive. "We don't elect our City Attorney, we hire him. Why then should we elect our State's Attorney?"

"Do you think that getting one more vote than the other guy in a contest for Treasurer makes the winner a better mathematician? Does it add to his ability to judge investment alternatives?" Nod. Nod. Nod. While we talked, we were apt to be sharing a hot chocolate and a bag of Fritos before returning to Highland Park, where Mrs.

Peers kept a more vigorous eye on his diet.

A lot has happened to both of us since those gluttonous days. He has emerged as a power on the County Board after many years in eclipse, during which he was shunned and insulted by those who could not tolerate his inflexible (and articulate) conscience.

And I have oozed up to County Clerk from that most invisible of all—the now-obsolete position of Assistant Supervisor.

At the May Board meeting, the Priorities Committee presented six resolutions to the County Board which ask that six propositions be added to the November '74 ballot. The thrust of each of the resolutions is that the voters should decide whether to elect each of the six (now) elected County Officers or have them appointed by the

County Board. Those six are: County Clerk, Treasurer, Sheriff, Auditor, Recorder of Deeds and Coroner.

According to the Illinois Constitution passed in 1970, three of these offices may be made appointive by county ordinance, but the manner of selection of County Clerk, Treasurer and Sheriff can only be altered by county-wide referendum. Thus the suggested referendum on the November '74 ballot. All six resolutions were deferred with alacrity until the June meeting, but the question should be given wider coverage before then.

Having been steeped in the Peers 'short ballot' tradition I am very much aware of how little qualification has to do with achievement of the offices in question. 'One more vote' than the other guy' is all it takes.

Where are the young ones,
Who swing from my strong arms,
Till I am straining with joy,
Whose musical laughter echoes from the hills,
Who know the serenity of innocence,
And the love of fun shared in an afternoon?

Where are the young ones,
So I don't have to stand here alone any longer ?
